

A MESSAGE FROM THE SUPERINTENDENT.....

The Tuscaloosa County School System is committed to embracing each of its approximately 18,000 students, with various skills and abilities, as individual learners – striving always to find the best means by which “to educate and prepare *each* student to succeed in our changing world.” It is that deep commitment to *each* student that also drives our budgetary considerations.

The revenue picture for the 2012 – 13 school year improved somewhat compared with recent years. As a result, during the last legislative session all employees received a 2% raise in their salaries. This raise was approved for the 2013 - 14 school year. While the slight increase in FY14 does not begin to pay our employees as the hard working professionals they are, it does move their pay in a more favorable direction and we are thankful.

By adopting this salary schedule on September 30, 2013, the Tuscaloosa County Board of Education confirmed legally the importance of every employee in our school system.

May this 2013 – 14 school year be very successful. As always, I welcome your e-mails and/or phone calls. My relevant contact information is listed on our web page.

Sincerely,

Liz D. Swinford, Ed.D.

SALARY SCHEDULE

FOR THE

TUSCALOOSA COUNTY SCHOOL SYSTEM

2013-2014

INTRODUCTION

The purpose of this salary schedule is to convey wage and salary information to the employees of the Tuscaloosa County School System and the public. In adopting this revised schedule during the fall of 2013, the Tuscaloosa County Board of Education anticipated that certain goals would be met by its use. These goals are as follows:

1. To provide an ability to discriminate between different skill levels and seniority ranks in positions.
2. To furnish an equitable means for the future adjustment of remuneration should funds become available.
3. To meet the salary adjustments as required by Alabama Law.
4. To meet Federal and State minimum wage mandates.

ASSUMPTIONS

In the preparation of any salary schedule, certain assumptions must be made, implicitly or explicitly. It is the opinion of the Board that maximum benefit will accrue when these assumptions are made explicit. The assumptions under which this salary schedule were prepared are as follows:

1. Any new employees will begin employment under the salary guidelines in this schedule.
2. Current employees compensated above this schedule will remain "grandfathered" at existing rates of pay or salary schedules until retirement, termination, or job change.
3. Unless otherwise mandated by the State Legislature (i.e., State matrices), salary increases or raises will be made by applying an across-the-board percentage to this schedule of base salaries or wages for all employees and to previously existing schedule or salary bases for grandfathered employees.
4. Wages will be increased in a step fashion up to a predetermined maximum to reflect an employee's increasing competence over the tenure of employment.
5. Employees performing equivalent tasks will receive equivalent remuneration.
6. All employees should be duly certified for their respective positions.
7. A certified employee whose pay is based on the state minimum salary schedule is entitled to be paid for the highest recognized degree earned at an accredited institution. The pay will begin with the first pay period after the degree is recognized by the State Superintendent of Education.

THE EFFECT OF THE FAIR LABOR STANDARDS ACT

The case of *Garcia vs. San Antonio* reapplied the provisions of the Fair Labor Standards Act (FLSA) of 1938 and its amendments to certain employees in education, in particular the provision dealing with additional compensation for overtime work. As authorized by the Tuscaloosa County Board of Education, the Superintendent should determine the need for overtime work, negotiate with employees the amount and timing of overtime work, and compensate the employees for that overtime work. This additional compensation is generally provided by paying the employee for additional hours worked over 40 hours in a work week. Compensatory time, in some cases, may be used in lieu of overtime pay within the system but must be approved in advanced. In accordance with Title 29, Part 541, of The Code of Federal Regulations, revised June 1983, most positions listed in this proposal are subject to the provisions of the FLSA (i.e., are nonexempt). Exempt positions are not entitled to overtime pay or compensatory release time. As outlined in the Code, exempt employees are those that meet one or more of the following criteria:

1. Executive, administrative, and professional (certified) employees, including teachers and academic administrative positions (e. g., director).
2. Non-certified employees (a) whose primary duties consist of the management of the enterprise in which they are employed, (b) who customarily direct the work of two or more employees, (c) who have the authority to hire or fire or whose suggestions and recommendations as to the hiring, firing, or other change of status decisions for other employees will be given particular weight, and (d) who customarily and regularly exercise discretionary powers.

Employees not meeting one of the above criteria are subject to the provisions of the FLSA and are eligible for additional compensation for work performed in excess of forty hours per week.

EMPLOYEE BENEFITS

INSURANCE

The Public Education Employee Health Insurance Program (PEEHIP) and Blue Cross/Blue Shield insurance are offered to regular employees. The family coverage costs \$891.00 per month, of which the state pays \$714.00 per month and the employee pays \$177.00. Single coverage costs \$729.00 per month, of which the state pays \$714.00 and the employee pays \$15.00. A \$28.00 per month surcharge will be assessed each covered family for any tobacco user under either single or family coverage. Employees on Leaves of Absence wishing to continue their PEEHIP Insurance must pay PEEHIP directly \$401.00 for single coverage and \$960.00 for family coverage. Complete Health (HMO) is \$177.00 per month for family coverage and \$15.00 per month for single coverage. PCA (HMO) is \$177.00 per month for family coverage and \$15.00 per month for single coverage. Supplementary insurance is available at the current PEEHIP rate. Dental, vision, cancer, and indemnity policies are offered through New Southland Insurance Company at no cost to regular, full-time employees if hospital insurance is not used. Classified regular employees working two hours daily, but not full time, are subject to receiving some credit for insurance. They may purchase two of the supplemental insurance policies or apply the credit toward hospital insurance and pay the difference. A pre-tax cafeteria-type plan is available for the purchase of hospital and supplemental insurance through American Fidelity Assurance Company. (All of the above costs are subject to change from year to year.)

EMPLOYEE BENEFITS (continued)

TEACHER RETIREMENT

All full time employees are eligible and required to participate in the Alabama Retirement program.

LEAVE DAYS AND VACATION

Each full-time employee will accrue sick leave at the rate of one day per month of contract (the 12-month employee will earn 12 sick leave days per year; the 9-month employee will earn 9 days). Effective August 1, 2001, full time employees will be allowed to accumulate an unlimited number of sick leave days. All accumulated sick leave days, not to exceed one day per month of employment, may be used for retirement purposes. Sick leave days may be taken in one-half or full day increments.

Each full-time employee will accrue five personal leave days per year that are non-cumulative from year to year. Personal leave days may be taken in one-half or full day increments. Two days for employees with 10 years' comparable experience or more will cost the current in-system pay rate for substitutes per day for respective employment positions. Experience is defined as the number of years of service in a particular position, job, or classification. Three days for all other employees will cost the current in-system pay rate for substitutes per day for respective employment positions. Part-time classified employees (i.e., those working less than twenty hours per week) are ineligible for these benefits. Personal leave days may be converted to accumulative sick leave days if not used during the contract year.

Effective August 1, 1997, the certified employee has two (2) options relative to the two (2) State provided personal leave days. They are as follows:

- 1) Receive reimbursement for either or both days if not used, **OR**
- 2) Apply either or both days to the employee's current accumulated sick leave days.

In addition, the certified employee has three (3) options relative to the three (3) locally provided personal leave days. They are as follows:

- 1) Use three (3) days at no charge if the employee has 10 years' comparable experience documented. Use the remaining two (2) days or all three (3) locally funded days if the employee cannot document 10 years' comparable experience for the current in-system pay rate for substitutes per day for the respective employment positions, **OR**
- 2) Receive reimbursement for days three (3), four (4), or five (5) if not used, **OR**
- 3) Apply days three (3), four (4) or five (5) to the employee's current accumulated sick leave days.

The classified employee may exercise option 1 or 3, but cannot receive reimbursement for personal leave days not used.

EMPLOYEE BENEFITS (continued)

LEAVE DAYS AND VACATION (continued):

Vacation leave for twelve (12) month employees is available January 1st, or the first day of employment if hired later in the year. However, these days are earned on a monthly basis, beginning January 1st through December 31st. First year vacation days are earned at a rate of .42 days a month, not to exceed five (5) days the first year. Every year thereafter will accrue at a rate of .83 days a month, not to exceed ten (10) days per year. If employed less than six (6) months during an individual's first year of employment, the individual's vacation may be taken before December 31st or included with the five (5) days given the following January 1st. If employed more than six (6) months during an individual's first year of employment, any days earned must be taken by December 31st. These employees will receive ten (10) vacation days the following January 1st. Employees will be allowed to carry-over no more than five (5) vacation days to the next year and not to exceed more than fifteen (15) days in one calendar year.

Longevity Leave Day: Upon reaching 15 years of experience, each employee will earn a longevity leave day that is non-cumulative from year to year. This is at no cost to employee and cannot be converted to accumulative sick leave days. Experience is defined as the number of years in a particular position, job, or classification.

Professional employees may request professional leave days for development purposes. These requests must be approved by the Principal and the Deputy Superintendent, or designee. A limited number of professional leave days is available at each school.

TRANSFER

A transfer may be of two types: transfers initiated by the system for its purposes, and transfers initiated by individuals of their own volition. This distinction is important for the employees of the system who have been grandfathered at a pay rate higher than those included in this salary schedule. If a grandfathered employee is involuntarily transferred by the system within the same employment category, that employee would retain his/her current or grandfathered salary (e.g., a school aide involuntarily transferred from Holt High to Hillcrest High would retain his/her current or grandfathered salary). If a grandfathered employee is involuntarily transferred by the system to a higher employment category, that employee would retain his/her current or grandfathered salary or the salary specified in this document, whichever is higher (e.g., a principal involuntarily transferred from Holt Elementary to Hillcrest High would retain his/her current or grandfathered salary or be eligible for the salary specified in this document).

DEFINITIONS *(continued)*

All involuntary transfers to lower employment categories shall be in accordance with the provisions of the Students First Act.

Conversely, if a grandfathered employee seeks a transfer on his or her own volition and is approved for a transfer by the system, that employee would move to the salary specified in this document. A voluntary move from one type of position to another is regarded as an individual volition transfer; the grandfathered employee would move to this salary schedule (e.g., an assistant principal at Matthews Elementary who applies for and is appointed principal at Crestmont Elementary would move to this salary schedule).

In instances in which classified employees apply and are selected for a position that entails movement from a higher salary schedule to a lower salary schedule, said employees shall be moved to the lower salary schedule at the step closest to their actual years of experience in their current School System job position.

YEARS OF EXPERIENCE

Under normal circumstances, experience is defined as the number of years of service in a particular position, job, or classification within the Tuscaloosa County School System, not the total years of service (e.g., a person with four years of experience as assistant principal at Northside High and one year of service as principal at Buhl Elementary would have five years of administrative experience. However, a school secretary with four years of experience as school secretary at Hillcrest High and one year as school aide at Holt High would have only four years of experience). The same rule applies to a carpenter assistant moving to a carpenter skilled position. No experience will be given for the assistant position.

The number of years of acceptable experience for **initial** placement on the salary schedule for certified personnel shall be determined and agreed upon prior to employment. Job applicants **must provide verification** of all past job-related experience from their former employers, prior to placement on a personnel report. The determination of such credit shall be based on the following criteria:

DEFINITIONS (continued)

YEARS OF EXPERIENCE (continued)

1. Full-time teaching/administrative experience in all Kindergarten through post-secondary public schools (elementary, secondary, and post-secondary public college), in or out of state, shall be approved as credit for placement on the salary schedule.
2. Military service shall not be considered for placement on the salary schedule.
3. In determining experience for placement on the salary schedule, credit shall be given for full years of experience only. A full year of experience will be granted to an employee who worked a complete semester plus at least one day of the previous or following semester of an academic school year.

Under normal circumstances, the number of years of acceptable experience for initial placement on the salary schedule for non-certified personnel shall be determined and agreed upon prior to employment. For employment outside the System that is gained in the exact (no exceptions) employment position for which the job applicant seeks employment in the School System (i.e., secretarial experience applicable only to a secretarial position; bookkeeper experience applicable only to a bookkeeping position; bus driver experience applicable only to a bus driver position; custodial experience applicable only to a custodial position, etc.) some credit for experience may be given. The Tuscaloosa County School system, through the Office of the Senior Director of Human Resources, shall have sole responsibility for the determination of exactly what skills, etc., are exact and the amount of experience to be credited based upon the documentation provided. Work experience for classified employees outside the System will not be credited above the fourth experience level. However, an employee may be credited above the fourth experience level with a recommendation by the Superintendent and approval of the Board.

ENROLLMENT

For those position salary schedules, the enrollment size used will be the school enrollment at the end of the first 20-day attendance reporting period (nearest to the October 1 fiscal year). For pay purposes, raises or adjustments should be made October 1 of the current year.

PART-TIME TEACHER

Certified public school teachers may contract with The Tuscaloosa County Board of Education to work less than full time and be compensated in accordance with the Salary Schedule, based on their educational attainment and experience. Part-time Teachers working less than .5 FTE units are not eligible for benefits.

RETIRED TEACHER

Alabama law requires that school systems notify the Teacher Retirement System (TRS) of Alabama upon employment of a retired teacher. A TRS retiree who is employed full-time with a TRS member agency must have his or her retirement benefit suspended until he or she withdraws from service again. If the retiree is employed for a period of two years, he or she may petition the TRS Board of Control to permit the resumption of participation in the TRS. Upon approval, the member will pay the contributions over the non-contributing period plus interest and begin contributing on future compensation. Upon termination of service, the member's retirement benefit would be recalculated to include service accrued since reemployment. The member will also be allowed to reselect a retirement option and beneficiary.

Employees (9 Month) (187 Days)

Media Specialist, Instructional Coach/Partner, Elementary Counselor, Behavior Specialist, Psychometrist/Psychologist and Social Worker's annual salary is calculated from the Teacher's Salary Schedule.

Employees (10 Month) (207 Days)

Secondary Counselor's and Career Coach annual salary are calculated from the Teacher's Salary Schedule by dividing the appropriate contract amount by 187 and then multiplying by 207.

Employees (12 Month) (240 Days)

Psychometrist/Psychologist's annual salary is calculated from the Teacher's Salary Schedule by dividing the appropriate contract amount by 187 and then multiplying by 240.

JROTC INSTRUCTORS

The JROTC Instructor's salary is the greater of two (2) times the federal salary reimbursement or the appropriate contract amount from the Teacher's Salary Schedule based on the JROTC Instructor's degrees and recognized years of teaching experience. An increase in either the Teacher's Salary Schedule or the federal salary reimbursement requires a new calculation that could result in a change of salary. The salary increases only when the higher of the two calculated numbers increases.

FORMULAS

PRINCIPALS

(The formula below does not apply to Contract Principals.)

BASE SALARY- PRINCIPALS

The principal must have a Class A (Master's level) certificate in administration or educational leadership to qualify for the base salary. The base salary is computed by multiplying the daily rate of pay of a teacher with a Class A (Master's) certificate and 15 years experience by 187 days. The product should then be multiplied by a difficulty factor of 1.65 for high schools, 1.55 for middle schools, and 1.45 for elementary schools.

EXAMPLE: $\$274.72 \times 187 = \$51,372.64$
 $\$51,372.64 \times 1.65 = \$84,764.86$ Annually
 $= \$7,063.74$ Monthly

BASE SALARY - ASSISTANT PRINCIPALS

The assistant principal must have a Class A (Master's level) certificate in administration or educational leadership to qualify for the base salary. The base salary is set at 86% of the principal's schedule based on the degree level of the assistant principal.

EXAMPLE: $\$84,764.86 \times .86 = \$72,897.78$ (12 Months)
 $\$72,897.78 \div 12 = \$6,074.82$ (Monthly)

ENROLLMENT

An adjustment in salary is made for the size of the school administered; an additional \$1,564.76 annually (\$130.40 monthly) is given with each categorical increase in enrollment.

$\$1,564.76$ Annually
 $\$130.40$ Monthly

For position salary schedules, the enrollment used will be the school enrollment at the end of the first 20 day attendance reporting period of the current year. **For pay purposes, raises or adjustments shall be made effective beginning on October 1 of the current year, based on the prior years Average Daily Membership (ADM).**

STEP/ANNIVERSARY

An annual increment of \$343.70 (\$28.65 monthly) is granted with each year of documented administrative experience through Step 8.

$\$343.70$ Annually (\$28.65 Monthly)

SIXTH YEAR (AA) CERTIFICATION

An increment of \$3,149.84 annually will be added for a Class AA certificate which qualifies for the increment.

$\$3,149.84$ Annually

DOCTORATE DEGREE

The principal will be granted \$2,978.97 annually if he/she possesses an earned doctorate from an accredited college.

$\$2,978.97$ Annually
 $\$245.25$ Monthly

NOTES

◆ Salaries for Child Nutrition Program Managers are based on Average Daily Meal Equivalent (ADME). ADME is the sum of the most recent school year’s average number of school lunches, half the average number of student breakfasts, average number of adult meals, and average a la carte income divided by the free lunch reimbursement. In the event of a reduced rate in participation (which would cause a salary reduction for a manager), the salary shall be frozen at the current level until future salary increments at the actual participation level meet or exceed the current salary level. At that time, the manager will be placed at the appropriate position on the schedule. This procedure eliminates salary reductions due to loss in participation.
