

What's Happening at the BLA?

The library staff will be on campus every day during lunch to help students and staff with anything needed from the library. At Science Academy, we are stationed in the Go Center. At Health Professions, we are stationed at the Computer Lab. Stop by to say hello!

So far this year, we have had 49 Orientation lessons, 15 Poster Printing lessons, 6 database lessons, and created a video on how to place a book on hold. We invited STC and UTRGV librarians to come to talk with students taking classes on campus.

Librarians have begun to attend planning meetings. If you are a department head, please reach out to let us know when you are planning so we can attend your meetings!
