

Are you signed up to use Renaissance Home Connect??

(about 35% of our AR families are already registered...ARE YOU?)

Renaissance Home Connect provides parents of children in grades 1 through 8 with a snapshot of their child's Accelerated Reader reading progress. The progress includes the average percent correct on quizzes, the number of points earned, and the results on the last quiz.

How does Renaissance Home Connect help me improve my child's reading progress?

- You can view your child's progress toward reading goals and reader certification, and view all books that your child has read and quizzes your child has taken.
- You can access an online search tool, AR BookFinder, to search for books using various criteria, including author, subject, or reading level.
- You can receive emails that reveal results for Reading Practice Quizzes and Vocabulary Practice Quizzes and provide links to the Web site where you can check progress.
