

St. Peter Cross Country

Just a quick note about our rain or shine policy. Cross Country is an all-weather sport! However, if it is raining (especially with lightning) a half hour before practice - we will cancel practice. Use your best judgment and common sense. I will be at school at practice time to announce a decision; but if the weather is awful, save yourself the hassle.

General Rule: lightning = no practice

Thanks! If you have any questions, stop by the 8th grade room before or after school, or drop me a note.

Mr. J

St. Peter Cross Country 2013

Just a quick note about our rain or shine policy. Cross Country is an all-weather sport! However, if it is raining (especially with lightning) a half hour before practice - we will cancel practice. Use your best judgment and common sense. I will be at school at practice time to announce a decision; but if the weather is awful, save yourself the hassle.

General Rule: use of car's wiper blades = no practice

Thanks! If you have any questions, stop by the 8th grade room before or after school, or drop me a note.
