ISAAC Communication Flow Chart

Parent-School Communication Plan:

The Interdistrict School for Arts and Communication encourages students and parents to take every opportunity to foster positive dialogue with faculty and staff (see flow chart below). In the event a question or concern arises, students and parents should make their first contact with the classroom teacher. If the situation remains unsolved, the student and/or parent should then seek conversation with the social workers or case manager (for special education students). Should the situation continue to be an issue, students and parents should contact ISAAC Administration beginning with Tanya Collins, Associate Principal or Amy Geary, Director of Special Education, followed by the ISAAC Principal, William Linski.

ISAAC FACULTY AND STAFF

Absence From School

If teachers expect to be absent from school, they should notify Tanya Collins in advance as soon as possible so arrangements can be made for substitutes. If ill, teachers should contact Tanya Collins prior to 10:00 p.m. the evening before or after 5:00 a.m. the morning of the absence. Teachers must call or text **Tanya Collins** at **860.460.7569** and **William Linski** at **860.204.1279** in addition to submitting your absence on Frontline.

Please note: All teachers should have an up-to-date substitute file available. This should include a list of all assignments including advisory and collaterals, seating charts, class lists, and three days of emergency lesson plans.

Activities

Requests for activities such as dances, dinners, etc., must be discussed with Mr. Linski at least 45 days before the activity. The email request should include all of the pre-planning required including: permission slips, cost per student, the purpose of the activity, chaperones, and the number of anticipated participants. Final approval of all activities rests with an administrator.

Additional Classroom Resources

In keeping with ISAAC policies and regulations on curriculum and materials, speakers, topics and/or materials presented to ISAAC students and not provided by the school shall complement the curriculum. The Principal or designee shall review and approve material not provided by the school in relation to age appropriateness, content, and context prior to its use. All guest speakers must be approved by administration before plans are made with the guest speaker(s). Moreover, all movies or videos selected should be rated 'G' or 'PG' prior to administration approval. Content must be included in the proposal to administration at least 30 days before the requested date.

Advisory

All ISAAC students will take part in our Advisory Program where our Social-Emotional Curriculum will be implemented (i.e. Growth Mindset, Mindfulness, healthy social and emotional living...). We want to ensure that our students' social/emotional well-being is our top priority.

Arrival and Departure Times

Teachers are expected to be in the building at their designated/assigned location for 8:00 a.m. and remain on duty until 3:00 pm. Between class periods, teachers should do their best to remain inside or immediately outside their room to supervise students unless they have been assigned a collateral duty or are transporting students to another classroom. **Rooms should not be left open and unsupervised.**

Virtual Open House

This fall ISAAC will be holding our first Virtual Open House for parents. This year it will be held on Thursday, September 21, 2023. This is an opportunity to communicate with parents about the happenings in your classroom.

Budget & Teacher Materials Reimbursement

The budget process is an organized system of steps that require input from teachers in collaboration with administration. Budget requests are granted once a year on or before March 1st of the school year. Depending on funding, impact for improving student performance, and its correlation to the ISAAC Core Values, all requests will be approved by the building principal. Small items for classroom activities may be at the expense of the classroom teacher. If a teacher requests reimbursement for an activity, they must have an itemized list of materials, a reason for the supplies, and meet with the building principal for approval two weeks prior to the activity. Receipts handed to office staff without prior approval will NOT be reimbursed. (See CLASSROOM SUPPLIES for other supplies)

Bulletin Boards, Websites and Showcases

Bulletin boards, websites, and showcases are assigned to departments and organizations within the school. ***Responsibility for content and condition of these boards and cases will belong to the department. These must be kept up to date. ALL WEBSITE CONTENT/INFORMATION THAT IS UPDATED OR CREATED MUST BE FORWARDED TO ADMINISTRATION.*** All posters must be signed by administration prior to posting.

Cafeteria

Food service is available in the cafeteria, provided by CEP, and at a cost per meal.

Cancellation of School

Inclement weather and difficult traveling conditions are not far off. For the safety of our staff and students, we will consider three options in the event of potentially hazardous traveling conditions on school mornings.

- (1) Close school completely.
- (2) Delay the opening of school for **2 hours**. All morning bus schedules will be delayed for **2 hours or more depending on the school district**. Schools will close at the regular time.

In the event that school is closed or delayed, the information will be communicated through the following outlets:

- (1) A School Messenger (Swift K-12) message will be sent to your email address and cell/home phone.
- (2) TV Stations: WTNH-TV (Channel 8) WFSB-TV (Channel 3)
 FOX 61 (Channel 61) NBC 30-TV (Channel 30)
- (3) Website: www.isaacschool.org

IF A STORM BEGINS DURING THE SCHOOL DAY and shows signs of developing into a potentially dangerous situation, schools will be closed early to enable us to get children home quickly and safely. Whenever possible, this call will be made ASAP. When this situation occurs, early dismissal will most likely occur at 11:50am. If a storm begins during the school day, a school messenger telephone and email message will be sent to all contacts provided to us. Our website will display this information and TV stations will be notified as soon as possible.

Please Note:

- There may be times when the **weather worsens quickly and we have missed the window of time to officially call an early dismissal**. In this situation, we **may have the buses pick up students at school approximately 15 minutes earlier than normal** to allow more travel time for the buses under deteriorating conditions. The School Messenger emergency contact system will be implemented to send email and phone messages to all contacts provided to us to make you aware of the early dismissal.
- The Police Department recommends to parents that **it is safer for children to take school buses on days of inclement weather** than for parents to provide transportation since buses are equipped with snow tires and chains. This action also reduces the number of cars on the road and minimizes the possibility of mishap.
- **ISAAC closings, delays and early dismissals mostly follow New London Public Schools.**

Chaperoning Student Functions

The presence of chaperones at school social activities signifies the interest members of the faculty have in student affairs. Mutual respect and courtesy is expected so that students and chaperones can enjoy a social evening together. All chaperones must be staff members of ISAAC. The number of chaperones will be determined by administration upon approval of the activity. Chaperones should be committed to covering the activity for the duration of the activity. The names must be given to the administration no later than one week prior to the activity; the activity will be cancelled in the event there are not enough chaperones. Arrival should occur one-half hour prior to the activity for instructions by the administrator on duty. Administration will dismiss sponsoring chaperones. Chaperones will be assigned by the advisor in charge to cover all necessary areas. These assignments may be rotated as long as coverage is needed.

Child Abuse

All staff members must report all known or suspected incidents of child abuse or neglect in accordance with ISAAC's Report of Suspected Abuse or Neglect of Children or Reports of Sexual Assault of Students by School Employees, which is included in the Required Notices section of this Handbook for your reference. All instances are to be reported to the administration, school social worker, or the school nurse. Statutorily mandated reporters must also submit a report to the Department of Children and Families, in accordance with state law and ISAAC policy.

Classroom Procedures

The following suggestions are offered as possible ways to initiate and maintain an appropriate classroom atmosphere in which learning can best occur:

1. Make a habit of being at the door as each class arrives. Do not allow students to congregate at the door either at the beginning or end of the class period. **Bell-to-bell instruction.**
2. **Take daily class attendance for all classes within the first few minutes of each class.** It is the responsibility of each teacher to maintain accurate records, send attendance via PowerTeacher and to report attendance to the main office in a timely fashion as directed by the administration.
3. PowerTeacher is used to record absences and tardies for each class.
4. Be prepared to start all classes on time. Have something for students to do immediately (i.e. Do-Now).
5. Expect students to be ready for work with enough work to last the entire block.
6. Check desktops periodically (ideally after each period) for markings and defacement. Ask

students to check the floor and desks at the end of each period to remove litter. If this is done regularly, we can all play a part in keeping our school clean. It is also important that all teachers mutually cooperate in such efforts in order to establish uniformity and to show the students that we are proud of our school and take a personal interest in its cleanliness.

7. Students must have teacher permission to leave the classroom. Use good judgment in keeping track of the length of time a student is out of the room; notify the office for any student gone for greater than 10 minutes.
8. Bells do not dismiss the class. Students are to be dismissed **only** by the teacher.
9. Treat students with respect and expect the same treatment in return.
10. Create an atmosphere in all of your classes in which a relevant exchange of ideas may take place using Academically Productive Talk.

Classroom Supplies

Teachers must give at least 72 hours notice on all requests for minor classroom supplies (markers, pens, *Post-It* notes, etc.). Teacher requests are to be submitted to the main office. If a teacher is interested in a major classroom supply or request, please submit to the main office administrative assistant a summary of the request, estimated cost, and reasoning of how it improves student academic achievement. All requests must be reviewed and approved by the building principal before an order is placed.

Collateral Assignments

Assigned collaterals will be provided at the beginning of each semester when duties are assigned. Collateral assignments may include monitoring students in areas such as the cafeteria, stairwells, main hallway, etc. Teachers must be in their assigned collateral location at 8:00 a.m.

School Counseling Services

The school social worker's office is a resource that can be utilized by students and staff alike. In addition to relating with students on an interpersonal level, the school social worker and school counselor stand ready to act as working partners with other teachers concerning those students who may not be functioning in a manner that is consistent with their ability. Very often, the Student Supports department can help an individual teacher to better understand a certain student's learning style or behavior and thus assist in providing intervention strategies that will help the student to function at a higher level. Also, the school social worker or school counselor may be aware of certain situations in the student's past, which they may be able to share in accordance with the Family and Educational Rights and Privacy Act, and which might be a key to establishing a more productive learning environment for the individual.

Detention and Discipline

Teachers are encouraged to assign after-school detentions to students as a classroom management or behavior management strategy. Teachers must contact the parent each time a warning or discipline issue occurs in the classroom. These steps should occur before a referral to the Principal or Associate Principal's office occurs. **Office detentions may only be assigned by an administrator and in accordance with ISAAC's Student Discipline Policy.**

Email Etiquette

It is important to always maintain a professional and courteous discourse when using email to correspond with parents, students, and co-workers. Please be appropriate and respectful at all times. In addition, be cognizant of the 'REPLY ALL' option on distribution list emails. **Distribution lists for 'All ISAAC Staff' and**

'All ISAAC Teachers' are to be used only by administration and office staff unless approved by administration.

Evaluations

Teacher evaluation and professional development is a collaborative process between the evaluator and each teacher. One goal of evaluations is to promote growth and improvement in student learning. Teachers will receive formal and informal evaluations from the Principal, the Associate Principal, and the Director of Special Education throughout the school year. Teachers will also develop yearly measurable goals that will enhance student achievement at ISAAC.

Examinations and Testing

Although grades are not totally indicative of a student's progress, they do serve to measure that progress, based on his/her own ability and effort, and give an estimate of the student in comparison with his/her peers. These formative and summative assessments should provide teachers and the SRBI Team with progress monitoring information that is crucial to the success of our students at. Below are descriptions of formative and summative assessments.

Formative assessment implies that the results will be used in the formation and revision process of an educational effort. Formative assessment is a deliberate process used by teachers and students during instruction and/or through the use of analytic school-wide rubrics that are used to adjust teaching and learning strategies to improve students' self-assessment, reflection, and attainment of curricular learning targets/goals. Since educators are continuously looking for ways to strengthen their educational efforts, this type of constructive feedback is valuable.

Summative assessment is used for the purpose of documenting outcomes and judging value. It is used for providing feedback to instructors about the quality of a subject or program, reporting to stakeholders and granting agencies, producing reports for accreditation, and marketing the attributes of a subject or program. Most studies of this type are rarely exclusively summative in practice, and they usually contain some aspects of formative assessment.

Teachers should administer tests or other forms of measurement frequently to substantiate the final grade. Unit summative assessments should be analyzed and reported through the format provided in professional development. Pre-assessment, content strands, and unit test data should be included in the format of summative assessment. **At the end of any marking period, there should be enough grades to present an accurate representation of the student's academic achievement.**

Extra Help

There are some students during the course of the year that will be in need of the service of the teacher beyond the normal classroom period. If students in your classes are not doing well academically, you should recommend to them to remain after school or come in early to receive additional assistance.

Faculty Meetings

Faculty meetings will be held on Wednesdays as posted by the school principal.

Faculty Parking

All staff are asked to park in the Cornish parking garage next to ISAAC and/or the Holiday Inn parking lot. Teachers will be given a swipe card to allow entry into the garage.

Field Trips

1. Purpose of Field Trips

- a. Field trips are intended to extend learning beyond the classroom. They should be articulated with instruction of the grade and subject level. Generally, it is expected that resources within a reasonable distance of New London will be used. Occasionally, resources at a distance best fit the requirement.
- b. Teachers should recognize that frequent or extended absences by pupils may seriously interfere with their obligations in other subject areas.
- c. Field trips are voluntary; alternative experiences for subject-oriented trips may be arranged.

2. Field Trips in Connections with Class Instruction

- a. The principal is authorized to approve field trips that are of significant educational value and will enhance the course of study. Request for field trip forms are available in the main office.

The ISAAC Board of Directors encourages the teaching staff to use the surrounding communities as teaching resources.

The following are guidelines for planning field trips that are part of and directly related to classroom learning activities:

1. All field trips planned to occur during the school day must be approved by the Principal.
2. Any field trips which involve overnight accommodations for students must be approved by the Principal, the Executive Director, and the Board of Directors pursuant to ISAAC's Field Trips Policy.
3. Students may be asked to pay all or part of the expenses of field trips.
4. Bus transportation may be used when arrangements can be made. Use of private vehicles is discouraged.
5. Each student on a field trip shall have written parental permission.
6. Each trip should be evaluated by students, teachers, and the administration.
7. No child shall be excluded from a field trip because of inability to pay.

PROCEDURES

- General requirements on field trips specifically in relation to:
 - Transportation requests
 - Written permission of parent or guardian
 - Trip involving use of parent transportation arrangement
 - Chaperone and adult supervision
 - Medical information (see below)
- Discuss arrangements and details with Building Principal prior to initiating planning
- Complete Field Trip and Transportation Request Form and submit them to your Building Principal and immediate supervisor
- Consult with your supervisor or principal regarding emergency notification procedures in the event of a problem with a trip.

Medical Procedures

Inform the nurse of the following information, 10 working days prior to a field trip.

- * A list of all students going on the field trip
- * The date the field trip is going
- * The time leaving and returning
- * Means of transportation, i.e. buses, vans

Arrange with the nurse when you will pick up the medical bag, review the medical alert list and practice use of an EPI PEN prior to your field trip departure. Work with the nurse to ensure compliance with ISAAC's Administration of Student Medication Policy.

Sign out the medical bag and leave a cell phone number in the Health Office and Main Office.

Attendance for Field Trips

The main office requires an e-mail containing the date, time and a list of the students leaving the school so this may be posted on the computer attendance list, and the absences of those students can be excused. If a student on the list is not going, notify the main office, especially if the field trip is all day.

Fire, Evacuation and Lockdown Drills

School safety is an absolute priority at ISAAC. Detailed instructions for emergencies are posted in all areas of the school, and periodic practice drills are conducted by school staff. All students and staff are expected to familiarize themselves with emergency procedures and cooperate promptly and fully with school authorities in all emergencies and emergency drills. ISAAC will work with local emergency agencies to ensure proper procedures and precautions are in place for the safety of all students, faculty, and staff.

In the event of a fire drill, evacuation or lock down exercise, students must follow ALL instructions given by teachers and administrators. The New London Police Department, upon being notified, will quickly respond to the school to ensure student safety. Police officers will contain an incident

and advise the administration and students of evacuation procedures. Students will be instructed to follow the directions of the police officers.

For all teacher responsibilities during fire, evacuation, and lockdown drills please refer to the ISAAC Emergency Safety & Crisis Plan.

First Aid and Illness Care

There is a trained person available throughout the day in the nurse's office at school. Contact the school nurse or the school health aide for assistance. If the nurse is not available, call the main office for assistance.

Students complaining of minor injury or illness may be sent directly to the nurse's office for evaluation and care. Students complaining of feeling faint, anyone who is unconscious, anyone who has a known or suspected head, neck or back injury or has sustained a fall should NOT be moved until the injury/illness has been evaluated by a trained person.

Keep calm - call for assistance - use the classroom telephone to call the office.

Medical kits are located in each room for emergency purposes only.

Guest Speakers

Guest speakers may be invited to ISAAC and field trips may be scheduled **with prior approval of the Principal or designee. All visitors must report to the main office.**

Hall Supervision Between Classes

All teachers should assist with hall supervision between classes. Receiving teachers should stand at their door to encourage punctuality to class. Others should encourage students to move along and not "visit" between classes. Teachers passing to their prep time or lunch should check the lavatories along the way.

Interdisciplinary Professional Learning Community (IPLC) Meetings

After the Covid period has ended, all teachers will engage in an interdisciplinary professional learning community meeting. Once a week (either Thursday or Friday) teachers will be involved in an IPLC meeting led by administration. Teachers will receive their IPLC schedules at the beginning of the year.

Late Work

All teachers will accept late work one week prior to the end of the appropriate quarter as listed on the ISAAC calendar; 50% is the maximum penalty for a late submission. In order to be accepted, the work must be complete and meet all assignment requirements.

Leaving School Premises

Staff members are scheduled a block of time for preparing lessons, researching, analyzing data, meeting with administration, specialists, parents, administering make-up work to students as well as for other teaching responsibilities. ***Staff members who need to leave the building during their free or prep block must receive permission from administration and sign out at the main office.***

Length of Day (Teachers)

The school day is from 8:00 a.m. until 3:00p.m. Teachers are expected to be outside their classroom or at their morning duty/collateral by 8:00 a.m. with the teachers' school day ending at 3:30 pm. The principal may request teachers to remain after-school for purposes of faculty meetings, professional development, and individual meetings as outlined in the contract. Teachers are required to attend all meetings. No activities, including coaching responsibilities, may be scheduled to conflict with meetings. Other meetings that may be scheduled on other days, while important, do not require teacher attendance after the contract hours are completed. Attendance, therefore, is voluntary. On such days, the teacher's first responsibility is to students who need additional instruction.

Mailboxes and Work Room

There is one faculty/staff workroom where copiers are available for staff use only. Teachers should not send students into a workroom to make or pick up copies. Each member of ISAAC has been assigned a mailbox located in the main office. Student are not to be allowed access to staff mailboxes. All staff must check their own mailbox each morning and afternoon. **It is the expectation that teachers check their email throughout the school day including before school begins and after school ends.**

Make-Up Work

Making up work is the responsibility of students, but it is a good idea to remind and encourage students to strive for early completion of missed work. All student absences from school must be verified by a parental telephone call or note. When students have been absent from school for legitimate reasons, they have the privilege of completing work not done during that absence. As a general rule, you should allow a student a day for each day he or she was absent. (Tests, quizzes, and major projects may require multiple days.) If, however, you feel the students need more time, you may arrange the schedule with them. Under provisions of state law, students have the right to make up all work missed during suspension or exclusion.

Medical Alerts

Your students may have serious medical problems which require emergency treatment or classroom adjustment. See the school nurse for additional information and/or assistance regarding students who may have various concerns, including:

- food allergies – may need immediate intervention
- insect sting allergy – immediate medical treatment needed when stung
- epilepsy – may have a seizure or temporary lapse of consciousness
- diabetes – may exhibit symptoms of weakness, fainting, perspiration and/or abnormal to bizarre behavior
- asthma – wheezing, difficulty breathing
- selective seating required – hearing deficiency or vision deficiency
- limited physical activity.

Work with the school nurse to ensure compliance with ISAAC's Administration of Student Medication Policy.

Non-Discrimination

Any form of discrimination or harassment on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression, or any other basis prohibited by state or federal law is prohibited, whether by students, employees or third parties subject to ISAAC's control. It is also the policy of the ISAAC Board of Directors to provide for the prompt and equitable resolution of complaints alleging any discrimination on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression.

For more information, as well as the procedures for reporting complaints of discrimination, please see ISAAC's Administrative Regulations Regarding Discrimination Complaints (Personnel), which are included in the Required Notices section of this Handbook for your reference. PowerSchool – Online Homework Database

To facilitate communication between the school and home, ISAAC teachers will utilize PowerSchool. Teachers must post all homework and classwork assignments, their point value, and a description of the assignment for parents and students to access 24 hours/day through their PowerSchool accounts. All homework must be posted in advance on Power School.

Power School Reports

PowerSchool is a fully integrated, web-based student information system. All teachers have web access to **PowerTeacher** to take attendance, enter and maintain grades, initiate student and parent communication, post assignments, and access student information. **It is expected that PowerTeacher will be updated once every two weeks at a minimum.**

Professional Dress

It is important for professional educators to dress in a professional manner every school day. Research supports the effect that teacher dress has on student achievement and perception. Faculty must dress professionally during the school day unless the nature of their course dictates them to wear other appropriate attire (e.g. no jeans unless attending field trips or other outdoor activities). On professional development days, Field Day, and outdoor field trips, casual attire (e.g. jeans, shorts, sweatshirts, t-shirts) is appropriate.

Professional Learning Communities (PLCs)

PLCs at ISAAC are grouped based on department and/or themes. ISAAC offers a unique schedule that allows members of PLCs to have a common prep period every other day. It is the school's expectation that once a week PLCs utilize this time to conduct a scheduled PLC meeting. PLC meeting schedules will be distributed by administration. PLC groups should plan to meet at the beginning of the week and

should avoid Thursday and Friday meetings unless conflicts such as snow days/PPTs force the group to meet otherwise. PLC topics include Stanford Calibration, Learning Walks, Assessment Data, and Curriculum Revision. The process for conducting these meetings is explained during professional development. PLC meetings for curriculum will meet once a month after school in lieu of a faculty meeting.

Pupil Planning and Placement Teams

The Pupil Planning and Placement Team (PPT) consists of a permanent committee and extra members as the individual student case under discussion warrants. At present, the permanent membership is made up of a school administrator, who serves as chairman of the PPT, and the individual student's school social worker. Other members of the team as the situation requires are the Director of Pupil Personnel Services from the student's sending district or their representative, social worker, nurse, classroom teachers, and the student's parent(s) or advocate(s). The PPT has the obligation to identify and provide programs for children with exceptionalities, such as learning disabilities, physical handicapping conditions, or social and emotional disturbances.

Any teacher who feels that a student in any class exhibits any type of disability should contact a member of the SRBI Team for help in making the proper written referral to the chairperson of the SRBI Team.

Dean Avery	Tucker Regan	Amy Geary	William Linski

Teachers are responsible for preparing data and attending PPTs when requested to do so. If there are any questions regarding the PPT process, please see the student's case manager.

Rubrics

All teachers must follow the written curriculum for each course they teach. Every task in the curriculum will eventually contain a school-wide rubric that must be assigned to all students. This helps ensure that all students have ample opportunities to practice their skills and reach the necessary promotion requirements. Each course should have a minimum of 8 rubrics assigned each year, as well as 5 of the 8 rubrics must be from the same competency unless otherwise directed by administration. Students **must complete** assignments/tasks that are assessed using a school-wide rubric. If a student misses one of these assignments, teachers should call home and set up a plan with the student to complete the assignment either in study hall or after school. All rubric scores must be entered in the rubric database on Google drive in a timely manner.

Security Camera Policy

The ISAAC Board of Directors supports the use of video cameras on school property for the purpose of enhancing school safety and security. The goals are to promote and foster a safe and secure teaching and learning environment for students and staff, to ensure public safety for community members who visit or use school property, and diminish the potential for personal and district loss or destruction of property. Appropriate signage is posted at the school entrance to notify students, staff, and the general public of the use of security cameras.

Security cameras are installed in public areas only. These cameras are located throughout the building. Restrooms, changing rooms, private offices, nurse's offices and locker rooms are excluded from security camera use. Security camera use is prohibited in any space where there is a reasonable expectation for privacy. No sound is monitored or recorded in connection with the video surveillance system. All video

recordings are stored in a secure place to avoid tampering and to ensure confidentiality in accordance with applicable laws and regulations. Recordings will be saved for a period of time consistent with state law and ISAAC record retention policies, after which all recordings will be appropriately deleted.

Section 504 and Title II of the Americans with Disabilities Act

In order to fulfill its obligation under Section 504/ADA, the ISAAC Board of Directors recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel, students, parents/guardians and members of the public who participate in school-sponsored programs. In this regard, the Board prohibits discrimination against any person with a disability in any of the services, programs or activities of the school system.

For more information about discrimination on the basis of disability, as well as the procedures for reporting complaints, please see ISAAC's Administrative Regulations Regarding Employees and Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990, which are included in the Required Notices section of this Handbook for your reference. Sexual harassment in the workplace, whether by supervisory or non-supervisory employees, will result in disciplinary action up to and including dismissal.

For more information about sex discrimination and sexual harassment, as well as the procedures for reporting complaints, please see ISAAC's Administrative Regulations Regarding Sex Discrimination and Sexual Harassment in the Workplace, which are included in the Required Notices section of this Handbook for your reference. Social Media Policy

Staff are directed to consult ISAAC's Social Media Policy and Administrative Regulations as well as ISAAC's Policy on Use of School Computer Systems and Electronic Communications. Of note all teachers and staff must only communicate with students and parents with an ISAAC created account (i.e. email @isaacschool.org). Moreover, teachers are not to 'friend' or 'follow' any students on social media.

Substance Abuse Policy

A full statement of the ISAAC's Alcohol, Tobacco and Drug-Free Workplace Policy as it pertains to substance abuse and employee assistance can be found in the Required Notices section of this handbook and on our website: www.isaacschool.org.

Surveys and Petitions

Students have the right to exercise the practice of free speech by appropriately distributing petitions at ISAAC. **In order to ensure a safe culture and climate, the following guidelines must be met before any petition is distributed at ISAAC even if the topic is course-related:**

The students, teacher, or organization will meet with ISAAC administration to discuss the literature and methods of distribution at least one day before distribution. In this meeting administration will ensure that the material meets the following content guidelines:

- does not contain anything obscene or libelous,
- does not advocate breaking laws or school rules,
- will not cause a substantial disruption to the school environment,
- will be distributed before and after school hours and during lunch blocks.

This policy also pertains to any leaflets of any kind that may be distributed.

Tardy Policy

"Tardy" is defined as being late to school, class or activity without permission of school personnel. Students who arrive to school after 8:30 a.m. must report to the main office. Teachers will not allow students admittance to class after 8:30 without a tardy pass from the office. Students that are chronically late to school will have their parent/guardian contacted by administration.

Telephones

Each classroom has a telephone. An additional telephone for staff use is located in faculty work rooms. The office telephones are business phones and should be used for emergencies only.

Notification of Green Cleaning

HEALTHIER "GREEN" CLEANING PROGRAM IN SCHOOLS (CT PUBLIC ACT 09-81)

The State of Connecticut is requiring that each local and regional board of education implement a green cleaning program for all school buildings and facilities in its district.

The Interdistrict School for Arts and Communication (ISAAC) is committed to the implementation of this law by providing the staff and, upon request, the parents and guardians of each child enrolled in our school with a written statement of the school's Healthier "Green" Cleaning Program as well as making it available on our web site annually. The policy will also be distributed to new staff hired during the school year and to parents or guardians of students transferring in during the school year.

1. A Green Cleaning Program means the procurement and proper use of environmentally preferable cleaning products as defined by the Department of Administrative Services (DAS) for all state-owned buildings, schools and facilities. DAS currently requires that environmentally preferable cleaning products be independently certified by one of two third party certified organizations: Green Seal or Eco Logo.
2. By July 1, 2011 and thereafter no person shall use a cleaning product in a public school unless it meets the DAS standard.
3. The types of cleaning products covered in this legislation include general-purpose bathroom and glass cleaners, floor strippers and finishes, hand cleaners and soaps. The preferred Green Cleaning products used by our school are listed on attachment "A" and can be accessed on ISAAC's website or at ISAAC's main office.
4. Disinfectants, disinfectant cleaners, sanitizers or antimicrobial products regulated by the federal insecticide, fungicide and rodenticide act are not covered by this law.

The following statement will be part of this school's Green Cleaning Program as stated in the new law: "NO PARENT, GUARDIAN, TEACHER OR STAFF MEMBER MAY BRING INTO THE SCHOOL FACILITY ANY CONSUMER PRODUCT WHICH IS INTENDED TO CLEAN, DEODORIZE, SANITIZE OR DISINFECT."

The implementation of this program requires the support and cooperation of everyone including administrators, faculty, staff, parents, guardians and facilities staff.

ALCOHOL, TOBACCO AND DRUG-FREE WORKPLACE

PURPOSE

ISAAC's Board of Directors (the "Board") seeks to promote a safe, healthy working environment for all employees and to reduce absenteeism, tardiness and other job performance problems which may be caused by alcohol and/or drug abuse. This policy is adopted in accordance with state law and the Drug Free Workplace Act.

STATEMENT OF POLICY

Employees shall not be involved with the unlawful manufacture, distribution, possession, or use of an illegal drug, a controlled substance, or alcohol and shall not be under the influence of such substances while on school property or while conducting Board business on or off school property. Any employee who discovers illegal drugs or alcohol on school property shall notify the Executive Director or his/her designee who shall investigate the matter.

An employee must report any conviction under a criminal drug statute for violations occurring on or off school property while on Board business to the Executive Director or his/her designee within five (5) days after the conviction. The Board will notify any agency awarding a grant to the Board of such conviction, within ten (10) days thereafter.

Employees shall only use prescription drugs on school property or during the conduct of Board business which have been prescribed by a licensed medical practitioner, and such drugs shall be used only as prescribed. However, in accordance with Conn. Gen. Stat. § 21a-408a through 408q, the Board specifically prohibits the palliative use of marijuana on school property, at a school-sponsored activity, or during the conduct of Board business, and specifically prohibits employees from being under the influence of intoxicating substances, including marijuana used for palliative purposes, during work hours.

The Board prohibits smoking, including smoking using an electronic nicotine delivery system (e.g. e-cigarettes) or vapor product, and the use of tobacco products on school property, including property owned, leased, contracted for, or utilized by the Board, or at any school-sponsored activity. For purposes of this policy, the term "electronic nicotine delivery system" shall mean an electronic device used in the delivery of nicotine or other substances to a person inhaling from the device, and includes, but is not limited to, an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe or electronic hookah and any related device and any cartridge or other component of such device, including, but not limited to, electronic cigarette liquid. The term "vapor product" shall mean any product that employs a heating element, power source, electronic circuit or other electronic, chemical or mechanical means, regardless of shape or size, to produce a vapor that may or may not include nicotine, and is inhaled by the user of such product.

Violations of this policy may result in disciplinary action, up to and including possible termination of employment.

DEFINITIONS

“School-sponsored activity” means any activity sponsored, recognized or authorized by a board of education and includes activities conducted on or off school property.

EMPLOYEE ASSISTANCE

In appropriate circumstances, the Board shall provide an employee with an opportunity for rehabilitation in overcoming addiction to, dependence upon or other problem with alcohol or drugs.

An employee who feels he or she has developed an addiction to, dependence upon or other problem with alcohol or drugs, is encouraged to seek assistance. Certain benefits for alcoholism or drug addiction are provided under the Board's group medical insurance plan. An employee may be given an opportunity to participate in a rehabilitation program which requires absence from work for bona fide treatment. Such absence may be charged to the employee's accrued and unused sick leave, subject to the provisions of the employee's collective bargaining agreement and/or any applicable Board policies and regulations.

Any request for assistance with a drug or alcohol problem will be treated as confidential and only those persons "needing to know" will be made aware of such request.

NOTICE REGARDING ELECTRONIC MONITORING

In accordance with the provisions of Connecticut General Statutes Section 31-48d, ISAAC hereby gives notice to all its employees of the potential use of electronic monitoring in its workplace. While ISAAC may not actually engage in the use of electronic monitoring, it reserves the right to do so as the Board of Directors and/or the Administration deem appropriate in their discretion, consistent with the provisions set forth in this Notice.

“Electronic monitoring,” as defined by Connecticut General Statutes Section 31-48d, means the collection of information on the ISAAC’s premises concerning employees’ activities or communications, by any means other than direct observation of the employees. Electronic monitoring includes the use of a computer, telephone, wire, radio, camera, electromagnetic, photoelectronic or photo-optical systems. The law does not cover the collection of information (A) for security purposes in any common areas of the Board’s premises that are open to the public, or (B) which is prohibited under other state or federal law.

The following specific types of electronic monitoring may be used by the ISAAC in its workplaces:

- Monitoring of e-mail and other components of the school’s computer systems, including monitoring of electronic devices such as PDAs, Smartphones, and mobile or handheld devices that access the computer systems, for compliance with ISAAC’s policies and regulations concerning use of such systems.
- Video and/or audio surveillance within school buildings (other than in restrooms, locker rooms, lounges and other areas designed for the health or personal comfort of employees or for the safeguarding of their possessions), on school grounds and on school buses and other vehicles providing transportation to students and/or employees of the school system.
- Monitoring of employee usage of the school’s telephone systems.

The law also provides that, where electronic monitoring may produce evidence of misconduct, ISAAC may use electronic monitoring without any prior notice when ISAAC has reasonable grounds to believe employees are engaged in conduct that: (i) violates the law, (ii) violates the legal rights of ISAAC or other employees, or (iii) creates a hostile work environment.

Questions about electronic monitoring in the workplace should be directed to the Executive Director and/or his/her designee.

ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (PERSONNEL)

It is the policy of the Interdistrict School for Arts and Communication (the "School") that any form of discrimination or harassment on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression is forbidden, whether by students, School employees or third parties subject to the control of the School. Students, School employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

It is the express policy of the School to provide for the prompt and equitable resolution of complaints alleging any discrimination on the basis of protected characteristics such as race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression.

If a complaint involves allegations of discrimination or harassment based on reasons such as gender/sex, disability, or pregnancy, such complaints will be handled, as appropriate, in accordance with other Board policies (e.g., Policy #4218, Sex Discrimination/Harassment in the Workplace (Personnel) and Policy # 4504, Section 504/ADA (Personnel)).

Preferably, complaints should be filed within thirty (30) calendar days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The district will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

The district will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of harassment or discrimination on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression. Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

The school district will periodically provide staff development for district administrators and periodically distribute this policy and implementing administrative regulations to staff and students in an effort to maintain an environment free of harassment and discrimination.

As soon as an individual feels that he or she has been subjected to discrimination or harassment on the basis of race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, or gender identity or expression he/she should make a written complaint to the Executive Director, or his/her designee. The individual and any respondent (if applicable) will be provided a copy of the School's policy and regulation and made aware of his/her rights. In the event the Executive Director or designee receives a complaint alleging discrimination or harassment based on gender/sex or disability, the Executive Director or designee shall follow the procedures identified in the appropriate Board policies ((e.g., Policy # 4208, Sex Discrimination/Harassment in the Workplace (Personnel); Policy #4504, Section 504/ADA (Personnel)), where applicable, rather than the complaint procedures provided in this policy.

The complaint should state the:

- A. Name of the complainant,

- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the harasser(s) or discriminator(s),
- E. Location where such harassment/discrimination occurred,
- F. Names of any witness(es) to the harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination;
and
- H. Proposed remedy.

Any individual who makes an oral complaint of harassment or discrimination will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If an individual is unable to make a written complaint, the staff member receiving the oral complaint will either reduce the complaint to writing or assist the individual with completing the written complaint form.

All complaints received by staff members are to be forwarded immediately to the Executive Director or his/her designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Executive Director or his/her designee shall promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the alleged harasser/discriminator ("respondent"), and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants during periods of time when school is not in session) to discuss the nature of the complaint, identify individuals the complainant believes has relevant information, and obtain any relevant documents the complainant may have;
2. Provide the complainant and respondent (if applicable) with a copy of the School's non-discrimination policy and accompanying regulations;
3. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
4. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis for the complaint, including conducting interviews with individuals with information and review of documents relevant to the complaint;

5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be extended by fifteen (15) business days during periods of time when school is in session or reasonably extended based on the availability of necessary witnesses and/or participants during periods of time when school is not in session) from the date the complaint was received by the Executive Director's office. The complainant and respondent (if any) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the district will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive - notice and interim measures may be implemented as necessary (see subparagraph 6);
8. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the harassment or discrimination. Corrective action should include steps to avoid continuing discrimination;
9. If either party to the complaint is not satisfied with the findings and conclusions of the investigation, the complainant may present the complaint and written outcome to the Executive Director within thirty (30) calendar days of receiving the findings. Upon review of a written request from the party requesting an appeal, the Executive Director shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with a designated investigator (if applicable), complainant, and respondent (if any) and meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling a designated investigator's conclusions or findings (if applicable). The Executive Director shall provide written notice to the complainant and respondent (if any) of the proposed actions within fifteen (15) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants during periods of time when school is not in session) following the receipt of the written request for review.

If a complaint involves allegations of discrimination or harassment based on reasons such as gender/sex, disability, or pregnancy, such complaints will be handled under other appropriate policies (e.g., Policy #4218, Sex Discrimination/Harassment in the Workplace; Policy #4504, Section 504/ADA).

Physical or mental impairment: (a) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems, such as: neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine; (b) any mental or psychological disorder, such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disability; or (c) an impairment that is episodic or in remission if it would substantially limit a major life activity when active. Physical or mental impairment includes, but is not limited to, contagious and noncontagious diseases and conditions such as the following: orthopedic, visual, speech, and hearing impairments, and cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, emotional illness, dyslexia and other specific learning disabilities, Attention Deficit Hyperactivity Disorder, Human Immunodeficiency Virus infection (whether symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

- A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability (including differential treatment, harassment and retaliation) may submit a written complaint to the district's designated Section 504/ADA Coordinator (see contact information below) within thirty (30) school days of the alleged occurrence.
- B. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If a complaint is filed relating to alleged discrimination occurring more than thirty (30) school days after the alleged occurrence, the ability of the ____ Public Schools (the "District") to investigate the allegations may be limited by the passage of time. Therefore, complaints received after thirty (30) school days of the alleged occurrence shall be investigated to the extent possible, given the passage of time and the impact on available information, witnesses and memory. If a complaint is made verbally, the individual taking the complaint will reduce the complaint to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.
- C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any retaliation that occurs as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperation in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint or the participation in an investigation of a complaint.
- D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Executive Director who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures. If the Executive Director is the subject of the complaint, the District shall designate an appropriate party to conduct the investigation in accordance with these procedures.
- E. Complaints will be investigated promptly within time frames identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.
- F. The complaint should contain the following information:
 - 1. The name of the complainant;
 - 2. The date of the complaint;
 - 3. The date(s) of the alleged discrimination;
 - 4. The names of any witnesses or individuals relevant to the complaint;
 - 5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
 - 6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

G. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Executive Director;
2. Meet separately with the complainant and the respondent within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent believe have relevant information, and obtain any relevant documents the complainant may have;
3. Provide the complainant and respondent with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Consider whether and which interim measures might be appropriate for an alleged victim and the respondent pending the outcome of the District's investigation;
5. Conduct an investigation of the factual basis of the complaint that is adequate, reliable, and impartial, including conducting interviews with individuals with information and review of documents relevant to the complaint;
6. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
7. Communicate the outcome of the investigation in writing to the complainant, and to the respondent (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Executive Director. The written notice shall include a finding as to whether the complaint was substantiated and if so, shall identify how the District will remedy any identified violations of Section 504/ADA. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and the respondent shall be notified of any such extension;
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint, and no later than fifteen (15) school days after the start of the following school year. The complainant and the respondent will receive notice if the investigation has been impeded by the summer recess, and interim measures may be implemented as necessary (see sub-paragraph 4);
9. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination and prevent its recurrence are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination;

10. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.

- H. If the complainant or respondent is not satisfied with the findings and conclusions of the investigation, the appealing party may request review and reconsideration of the conclusion of the complaint within thirty (30) days of receipt of the written outcome. In requesting review, the appealing party must submit the complaint, the written outcome of the complaint, and explain why he/she believes the factual information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, and how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the appealing party, the Executive Director shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Executive Director shall provide written notice to the appealing party and other party of his/her decision within ten (10) school days following the receipt of the written request for review. When a written request for review is received during summer recess, the Executive Director conduct the review as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the review, and no later than ten (10) school days after the start of the following school year. The Executive Director's decision shall be final.

ADMINISTRATIVE REGULATIONS REGARDING SEX DISCRIMINATION AND SEXUAL HARASSMENT IN THE WORKPLACE (PERSONNEL)

It is the policy of the Interdistrict School for Arts and Communication (the "School") Board of Directors (the "Board") that any form of sex discrimination or sexual harassment is prohibited in the Board's education programs and activities, whether by students, School employees or third parties subject to substantial control by the School. Students, School employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students, School employees, and third parties. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex. Verbal or physical conduct by a supervisor or co-worker relating to an employee's sex that has the effect of creating an intimidating, hostile or offensive work environment, unreasonably interfering with the employee's work performance, or adversely affecting the employee's employment opportunities is prohibited.

Any employee or student who engages in conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) shall be subject to disciplinary action. Any third party who engages in conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) shall be subject to remedial measures, which may include exclusion from school property.

Sex discrimination occurs when a person, because of the person's sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the School conditioning the provision of an aid, benefit, or service of the School on an individual's participation in unwelcome sexual conduct (i.e., quid pro quo);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the School's education programs or activities; or
- (3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel):

1. Unwelcome sexual advances from a co-worker or supervisor, such as unwanted hugs, touches, or kisses;
2. Unwelcome attention of a sexual nature, such as degrading, suggestive or lewd remarks or noises;
3. Dirty jokes, derogatory or pornographic posters, cartoons or drawings;
4. The threat or suggestion that continued employment advancement, assignment or earnings depend on whether or not the employee will submit to or tolerate harassment;
5. Circulating, showing, or exchanging emails, text messages, digital images or websites of a sexual nature;
6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel).

NOTICE OF THE TITLE IX COORDINATOR

The School's Title IX Coordinator is **Tanya Collins, Associate Principal and HR Director**. Any individual may make a report of sex discrimination and/or sexual harassment directly to the Title IX Coordinator using any one, or multiple, of the following points of contact:

190 Governor Winthrop Boulevard
New London, CT 06320
tcollins@isaacschool.org
860.447.1003

The Title IX Coordinator manages the School's compliance with Title IX, Title VII and Connecticut law with respect to sexual harassment and/or sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, School employee, or other participant in the School's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any School program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX, Title VII and Connecticut law grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The School will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I: GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT

A. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the School exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
- **Employee** means (A) a teacher, substitute teacher, school administrator, school superintendent, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of his or her duties, has regular contact with students and who provides

services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.

- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A “document filed by a complainant” means a document or electronic submission that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the School’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the School’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the School receives notice of sexual harassment or alleged sexual harassment against a person in the School’s education program or activity, the Title IX Coordinator or designee will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant has filed a formal complaint, and will consider the complainant’s wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator or designee will explain to the complainant the process for doing so.
2. The School will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in these Administrative Regulations shall preclude the School from placing an employee respondent on administrative leave during the pendency of the grievance process. Further, nothing in these Administrative Regulations shall limit or preclude the School from removing a respondent from the School’s education program or activity on an emergency basis, provided that the School undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a

respondent is removed on an emergency basis, the School shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the School's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Executive Director. If the formal complaint being filed is against the Executive Director, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The School may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The School will attempt to complete the formal grievance process within ninety (90) school days of receiving a complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
3. Upon receipt of a formal complaint, if the Title IX Coordinator or designee has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator or designee will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The School will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the School to provide supportive measures.
4. Within ten (10) school days of receiving a formal complaint, the School will provide the known parties with written notice of the allegations potentially constituting sexual harassment and a copy of this grievance process. The written notice must also include the following:
 - i. The identities of the parties involved in the incident, if known;
 - ii. The conduct allegedly constituting sexual harassment as defined above;
 - iii. The date and the location of the alleged incident, if known;
 - iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;

- v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
- vi. A statement of any provision in the School's policies that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the School decides to investigate allegations about the complainant or respondent that are not included in the written notice, the School must provide notice of the additional allegations to the parties whose identities are known.

5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The School may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the School and not on the parties.
7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The School will provide to a party whose participation is invited or expected (including a witness) written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the School does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the School will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this section.
9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or

hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to the time a determination regarding responsibility is made.

10. The Executive Director will appoint a decision-maker(s), who shall be a School employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the complaint filed is against the Executive Director, the Board Chair shall appoint the decision-maker, who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
11. The decision-maker(s) will issue a written determination regarding responsibility. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the School's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the School will impose on the respondent, and whether remedies designed to restore or preserve equal access to the School's education program or activity will be provided by the School to the complainant; and (6) the School's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.
12. Student respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the School's programs, activities and/or property. In appropriate circumstances, the School may make a criminal referral. Remedies will be designed to restore or preserve equal access to the School's education programs or activities.

13. After receiving notification of the decision-maker(s)' decision, or after receiving notification that the School dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Section E of this Regulation.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the School may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The School must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes an employee from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the School's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-maker(s)' decision, or after receiving notification that the School dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based.

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent

that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigator(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The School will provide the other party with written notice of such appeal. Both parties will then have an opportunity to submit a written statement in support of, or challenging, the outcome. Such written statement must be submitted ten (10) school days after receiving written notice of the appeal. Upon receipt of an appeal, the Executive Director shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s), or initial decision-maker(s). The decision-maker(s) for the appeal, in their discretion, will determine the appropriate procedure for the appeal. After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX, 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the School's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The School may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing a complainant notifies the Title IX Coordinator in writing that 1) the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the School; or 3) specific circumstances prevent the School from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the School will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the School's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Title VII or Connecticut law.

A dismissal pursuant to this section does not preclude action by the School under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity;

concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.

2. If a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
4. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. The School will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The School will maintain for a period of seven (7) years records of:
 - i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
 - ii. Any appeal and the result therefrom;
 - iii. Any informal resolution and the result therefrom; and
 - iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

The School will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the School does not provide a complainant with supportive measures, then the School will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the School receives notice of sex discrimination or alleged sex discrimination against a person in the School's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The School will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Title VII or Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as an employee feels that he or she has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Title VII or Connecticut law), he/she should make a written complaint to the Title IX Coordinator or to the building principal, or his/her designee. The employee will be provided a copy of the Board's policy and Administrative Regulations and made aware of his or her rights. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.
2. The complaint should state the:
 - i. Name of the complainant;
 - ii. Date of the complaint;
 - iii. Date(s) of the alleged discrimination;
 - iv. Name(s) of the discriminator(s);
 - v. Location where such discrimination occurred;
 - vi. Names of any witness(es) to the discrimination;
 - vii. Detailed statement of the circumstances constituting the alleged discrimination; and
 - viii. Remedy requested.

3. Any employee who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure.
4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Executive Director or his/her designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Executive Director. If the complaint being filed is against the Executive Director, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against an employee, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
6. Any employee who makes a complaint shall be notified of the School's intent to investigate the complaint. In the event the employee requests confidentiality or that an investigation not be conducted, the School will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the School not investigate the complaint. If the employee insists that his/her information not be shared with the alleged discriminator(s), the employee will be informed that the School's ability to investigate and/or take corrective action may be limited
7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:

 - ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;
 - iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;
 - iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;

- v. consider whether alleged sex discrimination has created a hostile work environment, including consideration of the effects of off-campus conduct on the school;
 - vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Executive Director's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the School will remedy the discrimination, adhering to the requirements of state and federal law; and
 - vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Executive Director or his/her designee, and take steps to remedy the effects of the sex discrimination.
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
 9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, he or she may file a written appeal within five (5) school days to the Title IX Coordinator, or, if he/she conducted the investigation, to the Executive Director, who shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Executive Director may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Executive Director shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. If a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the School (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. The School will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
