

Dear Sophomores, Juniors, and their Parents/Guardians,

Grand Rapids Christian High School is excited to offer internship opportunities during *Winterim* in January 2024. *Winterim* Internships provide a unique two-week opportunity for our students to observe and experience a working professional's life. The exposure to a chosen field will offer a learning opportunity for students to gain valuable tools to foster their gifts.

We are informing you about this opportunity now because the process of finding an internship host should start soon if it hasn't already. We encourage students to find their own internships through family, friends, or community relationships. Parents/guardians play an important role in encouraging their children in career pathways and we hope that through conversations and community connections parents work with their students to explore internship options.

Please see the student, family, and host expectations documents as well as the timeline for the *Winterim* Internship program, and the application/contract. When approaching a potential host, students should share the "*Winterim* Overview and Host Expectations" sheet. All documents are also available online at www.grcs.org/winterim. Please feel free to contact me with any questions you may have.

Sincerely,

Abby Vredevelde
Winterim Internship Coordinator
