Week 3	Phase 4: CVCC CCVC CCVCC CCCVC Phase 4 with long vowels	
Week 4	Phase 5 /ai/ ay play /ow/ ou cloud /oi/ oy toy /eel/ ea each	
Week 5	review longer words	

Maths

In maths we will be building on the learning from reception and learning to count accurately to 10, compare numbers to 10, add numbers to 10 including knowing number bonds to 10, count forwards and backwards and identify and describe 2d and 3d shapes.

RE

What did Jesus teach us? (Christians)

To find out about the life of Jesus, to find out about the parable of the lost son, the good Samaritan, what Jesus taught at the Sermon on the Mount, explore what we can learn from the actions of Jesus and summarise what Jesus taught people.

PSHE

During this term we will be learning about rules and expectations, internet safety, friendships and taking turns.

Seaside afternoon

Friday 8th September

On this day the children can come in their own clothes, weather depending, shorts and t-shirts to have a paddle in the water.

Year 1 Curriculum Overview- Autumn 1

History: changes within living memory ~ change in national life

Through our topic 'seaside explorers' we will; Identify old and new from pictures.

Develop a simple awareness of the past and use simple words and phrases to describe the past (after, before, between)

Answer questions about the past

Geography

Through our topic 'seaside explorers' we will; Name and locate the four countries of United Kingdom

Describe places using their key human features such as city, town, village, factory, farm, house, office, port, harbour and shop

Name places with similar characteristics to Rugby.

Design Technology

Through our topic the children will be designing and making a sea boat and a sea creature. The children will;

Describe what they want to do using pictures and words

To make lists of materials they will need

To use scissors or a cutting tools to cut out

To know how some moving objects work

To join materials together

Science- Animals including humans and seasonal changes,

Through our topic seaside explorers the children will be able to; identify and name a variety of common animals such as fish, amphibians, reptiles and birds.

To identify and name a variety of common animals that are carnivores, herbivores and omnivores.

To describe and compare the structure of a variety of common animals (fish, amphibians, birds, reptiles & mammals including pets)

To observe changes to the environment that happen in Autumn time.

Physical Education (PE) – Fundamental skills

The children will develop their co-ordination using footwork and static balances on one leg.

Music

During the Autumn term we will be using our voices to create different sounds such as singing, speaking and chanting. We will create high and low sounds and chant familiar stories.

Computing

During the first term the children will learn through our online safety lessons, an awareness of some of the risks to using the internet, understanding the importance of keeping personal information safe and why we must keep it safe.
