

The College Application Process

The Student's Responsibilities:

- ❑ **Common Application:** Create a Common Application account (commonapp.org) and add at least one college to your "My Colleges" list. If applying to a Common Application school, follow the directions on their website for payment and complete any college specific supplements.
- ❑ **Match Common App to Naviance:** Match your Common Application to Naviance and sign the FERPA release (*see instructions below*).
- ❑ **Other Application Types:** If a college is not a Common Application school, complete and submit your application according to each school's specific instructions and payment method (*see college website*).
- ❑ **Essays:** Have your essay(s) and short answers/supplemental questions critiqued by an adult (*teacher, parent, etc.*) before submitting them. Students should share their essays with their counselor.
- ❑ **Transcript Request Form (TRF):** This form needs to be filled out completely (*up to four colleges per form*) in order for the Counseling Department to send your transcript and supporting documents to colleges. If applying through Common Application, make sure the colleges are already on your "My Colleges" list and your Common Application account is matched to Naviance.
 - ❑ These forms must be submitted at least 30 days prior to a college's application deadline to ensure documents are submitted in a timely manner.
- ❑ **SAT/ACT Scores:** If your colleges require OFFICIAL test scores, send them directly from SAT/ACT online (collegeboard.org or act.org).
 - ❑ It usually takes 2-3 weeks for your scores to arrive at the college. The Counseling Department does NOT send standardized test scores to any college.
- ❑ **Early Decision (ED) and Early Action (EA):** PLEASE read ED and EA requirements carefully to be sure you fully understand the specific requirements of each college. Colleges require that an ED contract be signed by student, parent, and counselor. (*To do this, see instructions below*).
- ❑ **Teacher Recommendations:** Check each college to see how many letters they will accept. We recommend asking two core academic subject teachers. Once a teacher has agreed to write a letter of recommendation for you, indicate their name on each transcript request you submit so we know which letter to send. Teacher recs will be submitted electronically through Naviance once requested by the student via Naviance (*see instructions below*).
- ❑ **Additional Requirements:** Check individual college admission websites for any other application requirements.

The Counseling Department's Responsibilities:

- ❑ **Letter of Recommendation:** Counselors will write a college letter of recommendation for each senior with whom they work.
- ❑ **School Documents:** Counselors will send the student's Official Transcript, letter of recommendation, Secondary School Report Form, and DHS School Profile for each college requested.
 - ❑ These supporting documents are submitted via Naviance. (**Note: For non-Common App schools, students should indicate the type of application on their TRF.*)

Instructions

The next screen will ask you two important questions about your release of and access to your educational records under FERPA, the Family Educational Rights and Privacy Act. Since FERPA is a complex law, we want to provide some key information before you respond. We encourage you to learn about FERPA by [reading our FAQ](#). We also suggest discussing FERPA with your counselor, parent, guardian, or other school official to be better informed about your rights.

- 1. How does FERPA relate to your college application?**
 - FERPA regulates the privacy of student education records, which could include your application to the college where you enroll. FERPA also gives you the right to review confidential letters of recommendation provided as part of that application after you enroll.
- 2. In a moment, you'll be asked if you want to waive the right to review confidential letters of recommendation. What should you know about this waiver?**
 - Waiving your right lets colleges know that you do not intend to read your recommendations, which helps reassure colleges that the letters are candid and truthful.
 - Some recommenders may decline to write a letter for you if you do not waive your rights. Check with your counselor or teachers to see if any of them follow such a policy.
- 3. Still unsure how to respond?**
 - That's OK. Many students are. Before you move on, take a moment to discuss your decision with your counselor, another school official, or your parent/legal guardian. For more information about FERPA, visit [FERPA](#).
