

# LA PORTE INDEPENDENT SCHOOL DISTRICT

## Safety & Security 2023-2024

### 1 School Resource Officers

This year LPISD will have school resource officers on all campuses. The district in partnership with the City of La Porte and other municipalities will ensure officers are present each day.

Additionally, the La Porte Police Department is required to make daily rounds and audits of the exteriors of each campus in La Porte ISD. This will enhance the presence at each campus throughout the day.

### 2 Silent Panic System

LPISD is equipped with a full silent panic system at each campus. Staff members can initiate a panic alert with a click or a push of a button. This system notifies district administration & local authorities.

This new system will enhance communication and response time between the school district and local authorities.

### LPISD Safety Pillars

- ✓ Emergency Operations
- ✓ Training
- ✓ Exercises/Drills
- ✓ Software/Hardware
- ✓ Positive School Culture

In LPISD, safety starts and ends with training our students and staff members. Each campus spends time having conversations about the importance of safety and how to respond to specific events.

### TRAINING FOR ALL

We understand that training is the most important element of our LPISD safety program. Staff, students, and substitutes spend time training on emergency methods throughout the year.

The goal is for our school community to understand our processes so as to ensure that everyone remains safe at all times. The district's safety department spends countless hours providing professional development and implementing tabletops and drills at each La Porte ISD site.

### ANONYMOUS REPORTING

Anonymous Alerts Report It

### 3 CrisisAlert Badges

Each staff member in LPISD is equipped with a panic badge. Our CrisisAlert™ solution empowers teachers and administrators to act and respond with confidence in every situation, from the everyday to the extreme. When educators and children feel safe and secure, they can focus on their goals: learning and academic achievement

CrisisAlert™  
Badge

### 4 Security Resistant Film

Each campus in La Porte ISD has security resistant film on exterior windows and doors as well as secure vestibules. These additions add further layers of protection to each of our campuses.
