

## 2023 - 2024 Charles County Public Schools Approved Courses for Dual Enrollment

|    | A                  | B  | C          | D                                      | E  | F   |
|----|--------------------|--|------------|--|--|---|
| 1  | CSM                |  | CCPS       |  |  |   |
| 2  | Number             | Course Title                             | Number     | Course Title                           | What CCPS graduation requirement will this course fulfill? | NOTES   |
| 3  | ACC 2010           | Principles of Accounting I               | ECACC 2010 | EC Principals of Accounting I          | BMF Completer Course                                       |   |
| 4  | ACC 2020           | Principles of Accounting II              | ECACC 2020 | Principles of Accounting II            | Elective credit  |   |
| 5  | ACC 2681           | Business Finance                         | ECACC 2681 | Business Finance                       | Elective credit  |   |
| 6  | ACC-1025           | Personal Finance                         | 120524     | Personal Financial Literacy            | Fulfills PFL grad requirement                              |   |
| 7  | ART 1030           | Intro to Art Appreciation                | ECART 1030 | EC Intro to Art Appreciation           | Fine Art credit  |   |
| 8  | BAD 1015           | Intro to Business                        | ECBAD 1015 | Intro to Business                      | Elective credit  |   |
| 9  | BAD 1210           | Principles of Management                 | ECBAD 1210 | Principles of Management               | BMF Completer Course                                       | Aligns with CCPS Principles of Accounting and Finance Course 178001                 |
| 10 | BAD 1300           | Business Mathematics                     | ECBAD 1300 | Business Mathematics                   | Elective credit  | Aligns with CCPS Principles of Business Management & Entrepreneurship Course 175084 |
| 11 | BAD 1335           | Applied Business Communications          | ECBAD 1335 | Applied Business Communications        | Elective credit  |   |
| 12 | BAD 2070           | Business Law                             | ECBAD 2070 | Business Law                           | Elective credit  |   |
| 13 | BAD 2140           | Intro to Business Strategy               | ECBAD 2140 | Intro to Business Strategy             | Elective credit  |   |
| 14 | BAD 2610           | Principles of Marketing                  | ECBAD 2610 | Principles of Marketing                | Elective credit  |   |
| 15 | BAD 2700           | Human Resource Management                | ECBAD 2700 | Human Resource Management              | Elective credit  |   |
| 16 | BAD 2710           | Human Relations and Leadership           | ECBAD 2710 | Human Relations and Leadership         | Elective credit  |   |
| 17 | BIO 1040/<br>1040L | Intro to Human Anatomy and Physiology    | 048224     | Intro to Human Anatomy and Physiology  | Elective credit - dual enrollment in school                | Not an MSDE required course for graduation  |
| 18 | CHE 1050/<br>1050L | Intro to Chemistry                       | ECHE 1050  | Intro to Chemistry                     | Elective credit  |   |
| 19 | CHE 1200/<br>1200L | General Chemistry                        | ECHE 1200  | General Chemistry                      | Physical Science credit                                    | Students must take course and lab to satisfy CCPS credit                            |
| 20 | COM 1010           | Basic Principles of Speech Communication | ECCOM 1010 | EC Principals of Speech Communication  | Elective credit  |   |
| 21 | DMP 1010           | Digital Media Production                 | ECDMP 1010 | Digital Media Production               | Elective credit  |   |
| 22 | ECN 1200           | Introduction to Economics                | ECECN 1200 | Introduction to Economics              | Elective credit  |   |
| 23 | ECN 2020           | Principles of Microeconomics             | ECECN 2020 | Principles of Microeconomics           | Elective credit  |   |
| 24 | ECN 2025           | Principles of Macroeconomics             | ECECN 2025 | Principles of Macroeconomics           | Elective credit  |   |
| 25 | ENG 1010           | Composition and Rhetoric                 | ECENG1010  | EC Composition and Rhetoric            | English credit   | 11th Grade English credit   |
| 26 | ENG 1010T          | Composition and Rhetoric                 | ECENG1010T | EC Composition and Rhetoric            | English credit   | 11th Grade English credit   |
| 27 | ENG 1020           | Eng Comp and Lit                         | ECENG1020  | EC Eng Comp and Lit                    | English credit   | 12th Grade English credit   |
| 28 | ENV 1300/<br>1300L | Environmental Science w/Lab              | ECENV 1300 | Environmental Science w/Lab            | Earth Science credit                                       | Students must take course and lab to satisfy CCPS credit                            |
| 29 | GEO 1010/<br>1010L | Physical Geology                         | ECGEO 1010 | Physical Geology w/Lab                 | Earth Science credit                                       | Students must take course and lab to satisfy CCPS credit                            |
| 30 | GRY 1110/<br>1110L | Intro to Physical Geography w/Lab        | ECGRY 1110 | Intro to Physical Geography w/Lab      | Earth Science credit                                       | Students must take course and lab to satisfy CCPS credit                            |
| 31 | HST 1011           | Western Civilization                     | ECHST 1011 | Western Civilization                   | World History credit                                       |   |
| 32 | HST 1013           | Global History to 1500                   | ECHST 1013 | Global History to 1500                 | World History credit                                       |   |
| 33 | HST 1015           | Global History 1500-Present              | ECHST1015  | EC Global History 1500-Present         | World History credit                                       |   |
| 34 | MTH 0993           | Elementary Algebra Skills and Concepts   | ECMTH0993  | Elementary Algebra Skills and Concepts | Algebra 2 credit   |   |

## 2023 - 2024 Charles County Public Schools Approved Courses for Dual Enrollment

|    | A        | B   | C          | D   | E   | F                       |
|----|----------|---|------------|---|---|-------------------------|
| 35 | MTH 0994 | Intermediate Algebra Skills and Concepts  | ECMTH 0994 | Intermediate Algebra Skills and Concepts  | Algebra 2 Credit  |                         |
| 36 | MTH 1010 | Quantitative Literacy and Reasoning       | 035014     | Intro to Advanced Mathematics             | Math credit - dual enrollment in school (Algebra credit)        |                         |
| 37 | MTH 1015 | Intro to Statistics                       | ECMTH 1015 | EC Intro to Statistics                    | Math Credit - Alg II is prerequisite                            |                         |
| 38 | MTH 1120 | College Algebra                           | 032044     | Advanced Algebra with Trigonometry        | Math credit - student takes after Algebra II                    |                         |
| 39 | MTH 1150 | Pre-Calculus Algebra and Trig             | 037010     | Pre-Calculus                              | Math credit - dual enrollment in school (Alg 2 as prerequisite) |                         |
| 40 | MTH 1200 | Calculus I and Analytic Geometry          | ECMTH 1200 | Calculus I and Analytic Geometry          | Math credit   |                         |
