

BROWNSBURG **SWIM CLUB**

Due to a beautiful new renovation to the Brownsburg High School Aquatic Center, evaluations are completed at Pike High School Natatorium, 5401 W 71st St, Indianapolis, IN 46268.

Swimmers will be offered assistance with a coach in the water if needed or, for those able, will be asked to swim 3-4 lengths of the pool during their evaluation. Swimmers will then be placed in the appropriate training group if they decide to join the program.
