

## High School Auditorium Sound System Addendum

### Correction

In reference to the above Bid Packet, Item 34 – Bid Bond should read:

A. All bids must be accompanied by a bid guarantee in the form of a certified check, or a bid Bond, payable to the order of the School District in the amount of **five percent (5%)** of the base bid. The Bid Bond must be issued by a corporate surety authorized to do business in Pennsylvania to guarantee that the bidder will enter into a contract on the terms and conditions and scope of services with the bid package should the contract be awarded to the bidder. If the successful bidder shall default by failure to enter into the contract, the bidder shall be liable to the District for the entire difference, if any, between the bidder's price and any substitute bid price from any bidder with which the District may contract, together with any advertising, legal and other expense incurred by the District by reason of default.

The original language stated "ten percent (5%)" in error so as long as the bid has a minimum bid bond of 5% on the overall project including the option 1 if it was bid on will be considered acceptable.

Sincerely,

Michael Sokoloski
