

Rochester Master Plan Public “Discovery” Workshop

Rochester Master Plan Kicks-off with a “Discovery” Workshop!

*A Master Plan is a blueprint that guides and shapes
the Town’s future.*

Come and learn about what a Master Plan is, explore Rochester by the numbers and Rochester’s existing conditions. Input from you is an essential part of the Master Planning process. Your participation is the best way to ensure you have a say in what happens in your community.

For your convenience, SRPEDD has provided two different ways to attend. Please choose the format that works best for you.

- **In person on Monday, October 2nd, at the Council on Aging Center, 67 Dexter Lane, from 6:00 - 8:00pm; or**
- **Online on Tuesday, October 3rd, on [Zoom](#) from 6:00 - 8:00pm**

We hope to see you there, and we look forward to hearing your input! If you have any questions stop by the Annex and ask for the Town Planner.
