

0157 BOARD OF EDUCATION WEBSITE

For the purposes of keeping the community informed, the Board authorizes the School Business Administrator/Board Secretary to coordinate and oversee a school district website to be maintained on the Internet. All items to be posted on the website shall be approved by the Technology Coordinator or designee, prior to posting. In the event the Technology Coordinator finds certain material that is submitted to be posted, should not be posted, the Technology Coordinator shall seek approval of the School Business Administrator/Board Secretary prior to posting such material. In the event the School Business Administrator/Board Secretary, upon review of the material from the Technology Coordinator, believes the material should not be posted on the website, the material shall not be posted.

The types of information that may be posted on the website include, but are not limited to:

- Board Meeting public agendas
- Board Meeting approved minutes
- Selected Board of Education policies
- Board of Education meeting dates
- School District Newsletter Information
- School Administration Information
- Job postings
- School E-Mail information

and any other information the Superintendent or designee determines appropriate for posting on the website.

Materials containing political or editorial points of view shall be prohibited from the website.

The Board and Superintendent shall periodically evaluate the effectiveness of the school district website and this Policy.

Board of Education Website

Each individual school has a website. The content to be posted must be approved by the Building Administrator or their designee. The content must adhere to the same guidelines that are required for the district website. The Building Administrator is responsible to ensure that the information is kept relevant and up to date.
