

Volunteer to Coach

Give a little. Get a lot!

Greetings Parents/Guardians!

In collaboration with the City of Santa Paula's Parks and Recreation Department, we are offering sports programs at our school and are in need of volunteer coaches for these programs. If you are interested in volunteer coaching, applications are now being accepted!

To apply, please visit santapaula.recdesk.com and create an account. Then, under "Programs", click on "School & Recreational Coaches 2023-2024".

Current sports that are in need of coaches are for the fall season sports: flag football and cheer squads.

For more information, please call Andy Rico, Recreation Coordinator, at (805)933-4226 ext. 351.
