What is a School Counselor?

School Counselors are uniquely trained to equitably support success for ALL students in the areas of academic achievement, career exploration and preparation, and social-emotional development. Ensuring today's students become the productive well-adjusted adults of tomorrow and are future ready. We collaborate with students, teachers and parent/guardian to provide support and resources to meet students' needs and work alongside community members and agencies to provide necessary support and resources.

Examples

Academic

- * Graduation Tracking
- * Creating/building EHS schedule
- * Goal setting

Personal/Social

- * Individual student check-ins through brief counseling interventions
- * Referrals for outside supports

Career/College

- * Developing a meaningful post-high school plan
- * Collaborate with College & Career Center
- * College application process

Schedules

- * Schedules will be available September 1st at 3:30pm for all students. You may request a change in your schedule within the window of September 5 at 3:00pm through 11:59pm. The new course being requested must be offered the same period.
- * Changes will NOT be made for the following reasons:
 - * Change of class order
 - * Change of lunch
 - * Change of teacher
 - * Class requested is full
- * If your students schedule is missing a core subject, students were incorrectly placed, or has a hole, they will come to the counseling center during the period there is a conflict, and their counselor will fix their schedule.
- * If your student was taking Math over the summer for advancement, their counselor must have transcripts from semester 1 and 2 prior to the start of school for the change to be made.

High School and Beyond Plan

- * Through various school activities, students will complete post-high school readiness lessons that help match their skills and interests to possible careers.
- * Mr. Tyshawn Ward will be contacting students within the first week to begin/continue the process.
- * Throughout 9-12th grade, students will learn how to research their careers, explore post-high school opportunities, college and career paths for their future, while making connections to their high school classes.
- * The HSBP is a Washington State Graduation Requirement.
