AGREEMENT AND CONSENT SIGNATURE FORM

Student's Name: _____ **Grade:** _____

Sport: _____

Level of Play: Varsity JV Modified

CONDITIONS FOR PARTICIPATION IN INTERSCHOLASTIC ATHLETICS

Student-athletes are expected to commit themselves to the team, attendance at school, and all practices and games for the duration of the season. When this commitment is not fulfilled, the membership and position on the team may be reviewed by the coach with the student and appropriate team consequences may be applied.

Student-athletes are expected to attend all activities, practices and contests unless excused by the advisor/coach. It is the student's responsibility to notify in advance of any circumstances which would prohibit attendance at any activity(s), practice(s) or contest(s) other than absence from school. You can find the up-to-date schedule on www.gisny.org/school-life/athletics/interscholastic-team-sports.

Student-athletes who are absent from school will not be eligible for participation in any event, practice or game on the day of their absence. The administration may permit participation when the absence is unavoidable and supporting documentation signed by a parent or guardian is provided. Students are therefore required to make requests for absence(s) in advance.

The coach will establish rules for attendance and participation. All team members are expected to comply with and abide by the rules established for their team.
