

## **Medical Terminology, Essential Anatomy and Physiology**

**What grades are eligible to take this class?** Grade 10, Grade 11,  
Grade 12

**Which School is this class part of?** School of Health and Natural  
Sciences

**Is this class weighted?** No

**Does this class offer early college credit?** Yes

**Does this class offer an industry-recognized certification?** No

**Why should I take this course/who is this course for?** These  
courses help prepare students for health science focused courses  
in preparation for careers in the healthcare industry. They also  
earn students credits at IvyTech!

**How much homework/reading per night?** Less than 1 hour

**Is group work required in this class?** Yes

**What cool things can I do in this class?** We learn about the structure and function of the human body as well as the medical terminology used to describe it. We spend time focusing on careers in healthcare, as well as learning about medical procedures related to body systems. There will be hands-on lab experiences to reinforce these concepts as well!
