Dear Kindergarten – 11th Grade Parents/Guardians,

We certainly want you to know that we miss our Brickies! We wish that our last months of school would have been different. Health, wellness, and safety are the most critical matters to all of us these days!

We could not be prouder of our Brickie family. We are doing what we are supposed to do - have perseverance, show grit, and put on our best Brickie Spirit. We are caring for each other in a beautiful way!

The eLearning has gone wonderful. Thank you for your support as parents and guardians. Our educators and students are amazing!

We had our schedule set through May 1st with the first executive order by the Governor, and we will continue with our routine and schedule. As the State of Indiana announced on April 2nd that schools will not return to their face to face learning in school buildings and that 160 days is the mandate this year as opposed to 180 days, our school district will officially be finished for K-11th grades this school year on May 1st. *Our seniors will receive a separate communication on completion of school and graduation eligibility.

We will continue to provide the best through May 1 in eLearning. Student Prep and Canvas are ready daily at www.hobart.k12.in.us/studentprep. We have seen wonderful Student Prep in the Positivity Challenge: Gratitude, Journaling, Mediation, Exercise, and Acts of Kindness. These moments are comforting and fun for our children.

We will keep working as we prepare for summer school and next school year. Summer school may be online. We will have to wait and see. Our Food Service Department will continue to serve. We will always be here to serve you.

Please be safe and follow the guidelines for social distancing and hygiene. We know we will eventually be back together if we hold on for a little longer.

We love connecting online with our Brickies. We will continue to be creative in reaching them virtually.

Please continue to watch for Skyward Announcements, listen to all calls, and follow social media for guidance on additional end of the year details. We will be releasing information about returning Chromebooks, textbooks, library books, and retrieving locker contents soon. Let's finish eLearning strong! Please see attached schedule.

If there is anything that anyone needs, please do not hesitate to contact us. We are in this together. #BrickieUp #WeGotThis!

Sincerely,

Dr. Peggy Buffington

Superintendent of Schools
