LITTLE THEATER

On March 29th, 21 students (along with 16 parents and chaperones) from ERHS, ZHS, and RHS embarked for a 10 day adventure to Ireland, Scotland, and England. Due to a long layover in Toronto, the group was able to take a bus out to Niagara Falls for the day and see the falls from the Canadian side! After that it was straight to Dublin, Ireland where the group spent two days and two nights touring the city. After Dublin, the group travelled north to Northern Ireland and spent two days and nights in Belfast. Here they toured the Titanic Museum on the site where the infamous ship was built. The group also toured the city of Belfast and learned much about "the troubles" or civil war of the 1960s-1990s. The group took a day trip out to the gorgeous Giant's Causeway which is a beautiful rock formation on the coast of Northern Ireland. The next day the group took a ferry to Scotland and spent two days and one night in the amazing city of Edinburgh. They toured the amazing Edinburgh Castle and shopped on the Royal Mile. Then it was a 5 hour train ride to London where they stayed for 3 nights. In London they got to see Tower Bridge, The Tower of London, Piccadilly Circus, Buckingham Palace, several museums, and even see the play Wicked one night! Overall it was an amazing trip experiencing the history and culture of 5 unique countries (Canada, Ireland, Northern Ireland, Scotland, and England).

Two ERHS Students Earn 2023 Minnesota YAM Awards

Elk River High School artists earned recognition at the 2023 Minnesota Youth Art Month Student Exhibition “Your Art, Your Voice.” This juried exhibition celebrates the artwork of some of our state's most talented Elementary, Middle and High School students with artwork on display at the Minnesota State Capitol.

Senior Breanna Bernardson earned the High School 1st Place Award for her acrylic painting artwork “*My Po!nt of Vi3w*.” Senior Haley Gilbert earned High School Honorable Mention for her acrylic artwork “*Hidden Between The Lines*.”

March is Youth Art Month and it is a celebration of the visual arts. The state-level program provides a platform for recognizing skills developed through visual arts experiences including: problem solving, creativity, observation and communication.

Participating ERHS artists include seniors Carly Humphrey, Alix Neuenfeldt, Avery O’Leary, Lillian Schoenert, junior Edward Johnson, sophomores Violet Funk and Adriana Patullo.

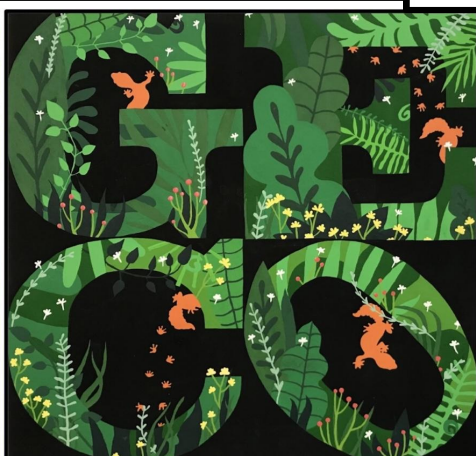

Senior Breanna Bernardson, 2023 YAM High School 1st Place “*My Po!nt of Vi3w*”

“I was diagnosed with dyslexia at a young age. I had to face the fact that this was my new normal. My peers and teachers try to help support me the best they could. But how could they really? How can one truly know what one is going through on a daily basis if they have not seen or experienced it themselves? This led me to create a piece that shows the viewer an inside look into one of the many daily struggles I experience with dyslexia. I hope this piece can further educate my audience and let them experience it through their own eyes. I wanted to show the feeling of reading in front of your own peers and not being able to do the simple task of reading off of a piece of paper in front of a class.”

“Geco,” meaning “gecko” in Spanish, is my chosen word displayed in this painting because of the fondness I hold for these animals as well as my heritage. I created this hard-lined acrylic piece because of the satisfaction I get from painting with this technique, there’s a beauty and perfection to it that I quite enjoy. Can you find the little creatures “Hidden Between The Lines?”

Senior Haley Gilbert, 2023 YAM High School Honorable Mention “*Hidden Between The Lines*”

From the Health Office:

ISD 728 is no longer scheduling mass vision and hearing screenings. However, if you have a vision and/or hearing concern regarding your child, a request for screening can be made by completing this [online request form](#). Screenings will be performed upon request only.

As a gentle reminder: If your student is not feeling well throughout the day and needs to leave ill, please have them check out through the Health Office prior to leaving. Calling the attendance line and allowing them to leave without checking in will result in an unexcused absence. Thank you for working with us on this issue!

Information From the Minnesota Department of Health:

COVID-19 Testing Update

State-run COVID-19 testing sites in four locations around the state will close this week, marking the end of their nearly three-year run serving Minnesotans. The St. Paul Midway site will close on Friday, Jan. 27, the Duluth site will close on Jan. 28, and the sites in Brooklyn Park and at the Minneapolis-St. Paul Airport will close on Jan. 29.

- Check with your insurance company about ways to get free rapid tests from pharmacies.
- Contact your health care provider or a local pharmacy.

In addition, the [telehealth](#) test-to-treat program is accessible to all Minnesotans via Cue Health to determine if treatment is a good option.
