## EVENING OF THE ARTS

Thursday, April 27  
5 - 8 pm

**ER ELK RIVER  
HIGH SCHOOL**

**Mark Your Calendar For This Year's Evening Of The Arts!**  
This free event is a celebration of the creative talents of our very own ERHS students. Invite your family and friends to attend this showcase of student artwork, cultural displays, photography, fashion and more!

**Congratulations!  
Laurengail Lorenz**

Laurengail was chosen 1 out of 16 finalists (and the only student from Minnesota) for America's Next Intern Contest where she will try to secure an Internship at Metal Craft.

Elk River High School  
Semester Honor Roll

From the Health Office: As you're working on spring cleaning, if you have any clothes you're getting rid of that would fit high school aged kids, the ERHS Health Office would love to be considered for donations. It's nice to have some options available in all sizes and styles for emergencies that may occur throughout the day. Thank You!

As a gentle reminder: If your student is not feeling well throughout the day and needs to leave ill, please have them check out through the Health Office prior to leaving. Calling the attendance line and allowing them to leave without checking in will result in an unexcused absence. Thank you for working with us on this issue!

**Information From the Minnesota Department of Health:**

**COVID-19 Testing Update**

State-run COVID-19 testing sites in four locations around the state will close this week, marking the end of their nearly three-year run serving Minnesotans. The St. Paul Midway site will close on Friday, Jan. 27, the Duluth site will close on Jan. 28, and the sites in Brooklyn Park and at the Minneapolis-St. Paul Airport will close on Jan. 29.

COVID-19 tests will continue to be widely available to Minnesotans:

- Find a testing option near you through the state's [Find Testing Locations](#) map.
- [Order free at-home rapid tests](#) through the state's COVID-19 at-home rapid testing program or through USPS at [COVID.gov/tests](https://www.covid.gov/tests).
- Check with your insurance company about ways to get free rapid tests from pharmacies.
- Contact your health care provider or a local pharmacy.

In addition, the [telehealth](#) test-to treat program is accessible to all Minnesotans via Cue Health to determine if treatment is a good option.
