

Here is how you make that new card the auto pay:

- Go into your account
- Click on your Compass #xxxx
- Under gray Auto Payments box click on Setup Auto Payments

- You should see your saved cards/payment methods.

- Click on the card you want to be auto pay and click Use Selected Pmt Method
- You will be brought back to your Compass account page.
- Under green Latest Invoice, click on the \$Pay button to make payment.
