College Admission and Military Visits

Did you know around 50 college admission representatives and all branches of the military visit ERHS each year? This is a convenient way to learn more about admission, programs, degrees, and financial aid by talking with an expert from that particular college or military branch. All college admission visits for the 2021-2022 school year will be held in the Career Center. Please visit this [form](#) for a list of upcoming events and sign up to attend. Military visits will take place during lunch in the Commons. Additions are added to this list often, so be sure to check back periodically.

The Northwest Suburban Conference Visual Arts Day

A hands-on visual arts workshops for our highly interested high school art students. The event was held at the Minnetonka Center for the Arts Friday, October 8, 2021. Students from the NWSC high schools learn from instructors who are professional artists working in the areas of Weaving Explorations, Raku Firing, Art Journaling, Monoprinting, Mixed-Media Sculpture, Reverse Acrylic Painting, Origami Art, Glass Mosaics and Low-Relief Ceramic Tile. Positive outcomes include learning and working with new artists, having longer hands-on work sessions and creating artworks alongside students also passionate about visual arts. Elk River High School students taking part in the conference event include junior Karen Balabon, and seniors Abby Berg, Cerina Chang, Maddie Christian, Elle Cotton, Levi Donat, Emma Gangl, Caroline Nelson, Ella Ovall and Etta Sether.

Thoughts from our students:

Senior Etta Sether describes the day, "NWSC Visual arts day was an incredible experience for me, it was a fun day full of learning about new mediums and first hand experiences led by professionals. It was an awesome experience and I'm very glad I was able to be a part of it."

Emma Gangl enjoyed the experience stating, "I had a really good time! The hands-on workshops and demonstrations were great and definitely something I learned from to take into my future projects in clay! It was super interesting to see the process of how they did a clay firing vs what I have done here at the high school!"

Senior Ella Ovall shared, "It was a good opportunity to try new materials that I may not have used otherwise. Now I can broaden the possibilities of what I can do with my art."
