

SEVEN EASY THINGS TO DO TO STAY SAFE WHILE WAITING FOR THE BUS:

1. Get to the bus stop at least ten minutes before the bus is scheduled to arrive.
2. When the bus approaches, stand at least three giant steps away from the curb, and line up away from the street.
3. Wait until the bus stops, the door opens, and the driver says that it's okay before stepping on to the bus.
4. If you have to cross the street in front of the bus, walk on the sidewalk or along the side of the road to a point at least five giant steps ahead of the bus before you cross. Be sure that the bus driver can see you, and you can see the bus driver. Do NOT cross until the bus driver lowers their hand, signaling you to cross.
5. When exiting the bus, watch out that your clothes or backpacks don't get caught on the door or handrails.
6. Never walk behind the bus. Instead, walk at least three giant steps away from the side of the bus.
7. If you drop something near the bus, tell the bus driver. NEVER try to pick it up because the driver may not be able to see you.
