5. Accept the Privacy Statement

Step 1 of 3: Privacy Statement

Read through the following Privacy Statement and click the Accept button to agree to the privacy agreement

ParentVUE/StudentVUE Use Agreement

ParentVUE and StudentVUE are internet-based applications that provide access to education records for parent/guardian and students of the district through a secured Internet site. All parents/guardians and students who wish to use ParentVUE or StudentVUE must comply with the terms and conditions in this Agreement.

A. Rights and Responsibilities

Access to ParentVUE/StudentVUE is a free service offered to all current students and parents/guardians of district students. Access to student information through ParentVUE/StudentVUE is a privilege, not a right. A parent/guardian will be authorized to activate a ParentVUE account only after the student is enrolled in the district. Once a student withdraws or graduates, ParentVUE access to that student's education records will be inactivated. Parents/guardians and their student(s) must practice proper and ethical use of ParentVUE.

Clicking I Accept means that you agree to the above Privacy Statement.

6. In the next step, you can then create your username and password for the system. After your account is created, you will be able to log into the system. If you have questions, please contact your building directly.

If you need to reset your password, use the self-service portal located on the main login screen.
