Our School and Community

Boulder Universal (BU) is located in Boulder, at the foothills of the Rocky Mountains in Northern Colorado. Boulder's dynamic community, of 107,125 residents, is committed to education, technology, the arts and recreation.

BU is BVSD's only multi-district online school, offering virtual classes for K-12. Our curriculum is designed to challenge the potential of each student and includes a college preparatory curriculum, advanced level curriculum, as well as college level coursework.

Our special services include a four year advisory, special education programs, access to career and technical courses, and concurrent enrollment for juniors and seniors offered at Boulder Universal and in conjunction with the University of Colorado, Metropolitan State University and Front Range Community College.

Graduation Requirements

In Boulder Valley School District a student must successfully complete a minimum of 220 credits in grades 9-12 with 100 of these credits earned in grades 11-12. Ten credits are equivalent to one full year of study in a specific subject. Demonstration of competence in English & Math, as well as completion of coursework in Money Management and Personal Finance is also required.

Language Arts 40 credits	Physical Ed 15 credits
Social Studies 30 credits	Health 5 credits
Math 30 credits	Fine Arts 5 credits
Science 20 credits	Practical Arts 5 credits
World Language 10 credits	Electives 75 credits

Grade - Weighted Courses

All AP classes and weighted classes receive one extra quality point in grade calculation. According to Boulder Valley School District policy, this weighted grade scale will be implemented and used externally for college admission and internally for determining high school grade point average and eligibility for school academic awards and honors. Additionally, college courses offered through concurrent enrollment may be weighted. All AP courses and many World Language courses are contracted through a 3rd party provider, FLVS or Fuel Ed.

GPA and Class Rank

BU offers both unweighted (max of 4.0 GPA value) and weighted (max of 5.0 GPA value) courses. All courses in grades 9-12 with a letter grade of A-F are used in computing the student's GPA. The GPA that appears on the transcript is weighted (BVSD policy) and calculated based on the average of the grades from all unweighted and weighted courses. Class rank is not reported per BVSD policy.
