## Excellent Start

I'm excited to share with you the fantastic start we have had to the school year at Louisville High School. This is my third year as principal of Louisville High School, and I can truly say that the enthusiasm, energy and excitement displayed by both our students and staff is the best to date and has been truly inspiring. From spirited classroom discussions to our outstanding performances in our extracurricular activities, it's evident that Louisville High School is thriving, and it's not too late to get involved in our clubs and sports. I encourage every student to get involved with something here at the school. Finally, I want to say thank you for your tremendous, ongoing support and your partnership in ensuring that our students at LHS have the best educational experience possible and that Louisville High School is the best it can be.
