

Bellevue Elementary

Bellevue City School District, Bellevue Ohio

September 2023

Welcome to the **BES**t year yet, the 2023-2024 school year!

We are ready for another exciting year at Bellevue Elementary School. It is our school vision to be the most innovative, student focused public school in Ohio by educating every child every day with intent, integrity, and purpose. We welcome you to our school and want feedback from you, our greatest stakeholder.

This week your child will bring home a PBIS letter with a matrix for home. I hear the prizes for participating are pretty amazing!

Every year we take the Ohio State Tests. I am thrilled with the effort from our students and staff. We were **well above** the state average in every test in the Spring of 2023!
