**BID OPENED: DECEMBER 19, 2018 @ 2:30P.M.**

**107 Year One (1) Yearly Pricing for Disposable Filters, Filter Media, Metal Frames and Installation. (See Attachment "Filter Media Quantities and Sizes")**

Supplier	QTY	UOM	Price	Extended	Supplier Notes	Description
Joe W. Fly Co., Inc. (JF Filtration Inc.)	1	YR	\$191,524.92	\$191,524.92		<b>LOW BID</b>
Texas Filter, LLC	1	YR	\$461,500.00	\$461,500.00	The first year pricing we had to consider the unknowns regarding a total frame installation in the district. Our thought process was to use pleated filters until this transformation could be completed. Our first year includes pleat pricing and frame cost combined. Once we get a firm count per campus and if we can install frames sooner than later, our plan would be to discount this year one price accordingly. But we can't pull this number out of the sky and promise you a firm discount. I pray for the trust in this manner and feel positive our service and customer relations will add a lot of vendor value to this project.
