*BK Technologies submitted a Li-ion 2300mAh Intelligent battery, at their own admission the vendor submitted the wrong battery and requested to change the battery specs after the bidding process had ended. The features outlined in the BK Technologies would not perform and would be of no use to the district.

**Tri-County Communications submitted an alternate brand of radios, the Harris brand radio does not integrate with Motorola products. The features outlined in the Harris radios would not perform and would be of no use to the district.
