

## LAKEVIEW INTERMEDIATE SCHOOL

# CHEW ON THIS

VOLUME 12, ISSUE 1

Hello Lakeview families. We have been proud of our Lakeview students for their hard work to acclimate to the routine and their new classmates & teachers. Sometimes it can be hard, as a parent, to feel that we know what the day was like at school or that we know how our kids are feeling. As the next few weeks unfold, we encourage parents to ask specific questions about their child's day to get them talking and to keep you informed. "Who did you play with at recess? How has Math class been? What book are you reading? What was one good thing that happened to you today?" The classic "how was your day" question usually gets the classic shrug or "fine" as an answer. Dig a little deeper.

See this [link](#) for the September specials rotation.

Please remember to call the office or send a note in with your child(ren) if you will be picking them up early from school or if they will be arriving late. This will help us help you by having your child(ren) ready for pick up in a timely manner.

Please remind your children that cell phones, while allowed at school, should not be seen or heard during the school day. Phones should be on silent and

stored in a safe place.

Please consult your child's specials rotation and help insure that they have proper footwear (tennis shoes) to help them safely participate in physical education class.

## Student Council

The following sixth grade students will represent Lakeview's Student Council as Executive Board members this coming school year: Caroline Adams, Ava Boateng, Liam Buxton, Nico Hertle, Nimrit Saini, Emerson Snyder, Rose Stage & Audrina Woods.

These students earned this position by showing responsibility as a 5th grade representative. Good Job.

Homeroom representative elections are taking place now for both grade levels.

This year Lakeview will hold Parent/Teacher Conferences on October 10th, 18th and 26th. Our goal is to connect with all parents over the course of these conference nights.

We believe that a supportive and collaborative relationship between educators and parents is one of the best tools in helping our Lakeview students grow and tap into the greatness in their potential.

Teachers will reach out to share a way to sign up for conferences later in the grading period. We look forward to seeing you in October!

## GROWING GREATNESS STUDENT REPORTS-TEAM 66

Team 66 is starting their year with Greatness

The journey to greatness is just on the horizon... Team 66 starts their day with morning work followed by Team Time. Team Time is a daily occurrence that happens when the two sections of team 66 (661 and 662) come together and discuss a wide range of subjects. It is a designated time to talk about what events may be coming up in our home life, school work that may come in the following days or world events.

To end Team Time a fantastic thing we do is our affirmations. We do affirmations after Team Time to get us ready for the day and our hearts pumping. How did we come up with the idea of affirmations, you ask? Well, it all started in Mrs. Thompson's class last year. She came up with the idea to make affirmations an everyday thing to build confidence and start the day off on a positive note. Mrs. Earnest overheard us saying them and since Mrs. Thompson moved up to the sixth grade with us, we brainstormed new affirmations and made a new set that goes as follows:

Today is a new day.

We can overcome challenges.

We can change the world with our kindness.

We can be our BEST selves.

We are not just a class, we are a family

Today will be a GREAT DAY!

I believe affirmations are a great way to start the day because they get you in the right mindset to make the day the best it can be.

At Team 66 we look to find the Greatness in everyone, and encourage our fellow classmates to be the best version of themselves. We are an outgoing bunch and not afraid to forgive, and fix any problem we can - in and out of the classroom.

### #GOALS

Team 66 is already on their journey to Greatness this school year! One way for us to remain focused on our greatness is by creating goal words. Each student decided on a single word they wanted to strive for all year! As we start the school year, we begin striving towards greatness with our goal words. The goal words could have meaning academically, social-emotionally, or a combination of both. Our #GOAL cards are filled with things we believe will help us seek happiness and greatness in ourselves and others throughout the year. Each word shows what the students of Team 66 strive to be and are working towards achieving. Team 66 will continue to aim for greatness using our #GOAL words/cards as an anchor! Stop by Room 103 to see our #GOAL bulletin board.

## SAFETY FIRST: REMINDERS

Many of our students are car riders in the mornings and/or afternoons. It is important that parents driving on campus during these times observe safe driving habits. This includes driving slowly, observing the established traffic pattern, and watching for students who are crossing. Also, cars should not stop in the middle of crosswalks. Parents should drop off or pick up students in designated areas only. This helps prevent unnecessary crossing in front of buses or other motor traffic.

Parents should drive **AROUND** the building (following the design-

nated car lane) to drop students and pick students up in the afternoons at **EXIT 2 ONLY**.

All car-riders will be dismissed at Exit 2 in the afternoons and are expected to be dropped off there as well.

**ALL** morning drop off should happen at **EXIT 2**, using the car lane and driving all the way around the building. This includes choir, band and orchestra.

Students should never be let out of vehicles in the parking lot containing school bus traffic.

Crossing guards will be available to assist walkers.

Please remember that the bus and car lanes designated by identifying marks on the pavement, cones and a sign are to be observed during the hours of 7:50am-8:40am and 3:00-3:40pm for the safety of our students and staff.

There is parking available behind the gym at the back of the building if you need to enter the building during these times. Follow the car lane for this parking.

**Counselors' Corner...by Mrs. DiEugenio (5th-grade School Counselor) and Mrs. Smith (6th-grade School Counselor)**

Greetings Lakeview parents,

Welcome to another school year! We are excited to work with our incoming 5th graders and continue our work with the 6h graders. This year we have a new counselor joining us! Mrs. DiEugenio (Mrs. D) will be the 5th grade counselor and Mrs. Smith will be the 6th grade counselor. Even though we are assigned to a particular grade, we both look forward to working with all students.

Moving forward, we will be presenting monthly lessons along with focusing monthly on growing greatness character traits. During September, we will be focusing on POSITIVITY. We encourage you to discuss with your child the positive things that happen throughout their day here at school. You can also check out the Counselor Connection Newsletter that will be coming out on ParentSquare soon for more ways to implement positivity at home!

K-Kids- "Kiwanis Kids" first meeting will be on September 12th 3:15- 4:15. Your child should have received a permission slip during our classroom lesson. Stop by the guidance office if your child needs another one. Please secure a ride home beforehand.

Thank you for all of your support!

Maggie DiEugenio- 5th grade School Counselor- 330- 689- 5262

Sarah Smith- 6th grade School Counselor- 330-689-5447
