

# FRIDAY FEATURES

## Events that Showcase Signature Elements of Tower's Pre-K-8 Education

Join us on campus for an opportunity to learn about Tower's engaging academic and social-emotional curriculum, our vibrant school culture, and individualized secondary school counseling program for middle school students and families.

These events are casual yet focused. Attend any of our informative teacher-led sessions, meet our Head of School and fellow parents, or request a campus tour.

Register online via the QR code or [towerschool.org/admission/events](https://towerschool.org/admission/events).

**REGISTER**

### 9.29.2023 "Known and Needed"

8-9 am A student who feels *known* is confident that what they bring to the class will be appreciated by teachers and classmates. Students who recognize that they are *needed* know that their contributions to the project, discussion and community matter. Feeling known and needed builds confidence and motivation—and impacts achievement.

### 10.27.2023 Outdoor Learning Spaces

8-9 am Meet Tower's "Green Hornets," a team of teachers with a passion for natural learning environments and sustainability. Learn about our intentional learning spaces across our 8-acre campus: including the wetlands, classroom in the woods, native pollinator gardens and greenhouse.

### **11.17.2023 Secondary School Counseling**

8-9 am Meet Tower's Director of Secondary School Counseling and learn how we prepare students for their transition to high school, including interview skills, student ownership of their journey, our relationship with Secondary Schools, and advocacy for students.

### **12.8.2023 Technology**

8-9 am Technology is integrated throughout the curriculum for students in Pre-K-grade 8. With guidance and instruction, students become innovative, computational thinkers, collaborators and problem solvers.

### **1.26.2024 Public Speaking**

8-9 am Public speaking is a hallmark of a Tower education. Learn how we nurture this important skill in all students, from Pre-K through grade 8.

### **2.23.2024 Student Clubs and Service Learning**

8-9 am Clubs are great opportunities for students to pursue a new interest and forge new friendships in a multigrade setting. Recent favorites range from glee club, bike repair, international cuisine, and flag football. Middle School students also choose from Service Learning programs that serve our local and global communities.

### **3.29.2024 Social-Emotional Curriculum**

8-9 am Join us for a discussion about Tower's comprehensive, evidence-based social-emotional curriculum, led by our Director of Health Services, School Counselor and Speech & Language Pathologist.

### **4.12.2024 Visual Arts, Music & Woodworking**

8-9 am Arts education is important to children's intellectual and social growth and constitutes a vital component of Tower's curriculum. Learn about our robust programs in visual art, music and woodworking from Pre-K-Grade 8.
