

YOUTH OUTDOORS

HIGH SCHOOL FELLOWSHIP PROGRAM

Youth Outdoors Fellowship Program seeks to provide teens ages 14-18 exposure to the field of parks and recreation, environmental education and natural resource management.

OUTDOOR EXPLORATION

By experiencing the wonder of nature and developing skills in outdoor recreation, youth gain a life-long appreciation and understanding of the importance of parks and recreation.

CAREER DEVELOPMENT

Youth can benefit from resources and activities that help them explore their interests and skills, gain employment experience and learn about employment opportunities.

SUMMER EMPLOYMENT

Employment opportunities that provide paid work experience during the summer months while providing valuable teaching and networking to high school students.
