School-Wide Positive Behavior Support

School-Wide Positive Behavior Support is a proactive and preventative approach to discipline that emphasizes a positive school climate which promotes appropriate student behavior. The staff at B.F. Morey Elementary School has established rules and responsibilities for our students to learn and live by that provide an atmosphere where students feel safe, happy, and have a maximum opportunity to learn. Our school-wide rules are referred to as *Morey's Keys to Success*.

Morey's Keys to Success:

-  Take care of self
-  Take care of others
-  Take care of teachers
-  Take care of our school

Throughout areas of our school, there are specific rules and responsibilities that apply.

By following the rules and showing good character, students will be rewarded with a *Key Card*. Students will have an opportunity to exchange their accumulated Key Cards for a prize from their teacher, or they can shop at the *Morey Market* on our monthly *Treasure Chest Tuesday*.

Thank you for discussing these rules with your child(ren) and reinforcing positive behaviors on a daily basis. By helping to do your part, Morey's students can have a positive and rewarding experience!
