Justifications:

GTS is receiving the award because they are the lowest bidder that met specifications and has been certified by Dell.

53 Netsync Network Solutions was the lowest bidder that included the requested headphone set. Riverside Technologies, Inc. included a headphone set that did not have an

adjustable microphone. In addition, M&A Technology included the requested headset but has a minimum purchase requirement of 20 headsets.

54 The M&A Technology has a minimum purchase requirement of 20 headphones and submitted an alternate. The alternate did not have an adjustable microphone. Riverside Technologies, Inc. included an alternate that did not have an adjustable microphone.

56 Riverside was the lowest bidder; however, they submitted cases that did not include integrated screen protection.

70 GTS was the lowest bidder; however, they submitted a single-sided printer. We require double-sided printing.

A V Pro, Inc.	Michelle Strahm	michelles@avpro-inc.com	PLEASE NOTE: During the present Covid-19 pandemic, supply chain issues including manufacturing schedules, equipment delivery, and shipping continue to fluctuate and change and are predicted to remain so for the foreseeable future. Additionally, project installation factors, including employee health and safety, lodging and travel restrictions, and potential work-place covid-19 exposure likewise may potentially impact project timelines and completion dates. A V Pro, Inc. pledges to make every conceivable effort to provide materials and labor in a professional and timely manner as each project requires; however, we cannot make a firm guarantee as to delivery and scheduling during these unprecedented and uncertain circumstances over which we have no control.
