

# INITIAL FEAR

## Coming to Glen Hills

Nicolet Future Engineers of American Robotics (Nicolet FEAR) is bringing *FIRST LEGO League* to Glen Hills Middle School. *FIRST LEGO League* is the stepping block to Nicolet FEAR robotics program. *FIRST LEGO League* will introduce STEM to children through fun, exciting hands-on learning. Participants gain real-world problem-solving experiences through a guided, global robotics program, preparing today's students to build a brighter future. In *FIRST LEGO League*, students build confidence, grow their knowledge, and develop positive/effective learning habits. Students from the Nicolet High School FEAR robotics team will mentor the students.
