

ACCESSING CANVAS AS A PARENT FROM WEBSITE

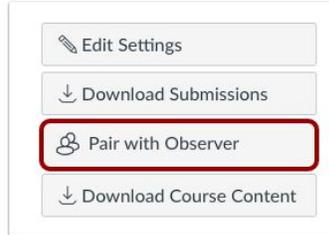

To see how your child is doing in their Canvas courses, you will be signing up as an **Observer**. By accessing Canvas on your web browser as an Observer, you will be able to see everything your student sees: assignments, due dates, grades, and other course activity.

STEP 1: GENERATE A PAIRING CODE FROM YOUR CHILD'S ACCOUNT

1. Have your child log in to Canvas and go to their **Account Settings**.

2. Click the **Pair with Observer** button.

3. Copy or write down the six-digit code that pops up. This code expires after seven days or after the first time you use it.

STEP 2: SIGN UP FOR A CANVAS PARENT ACCOUNT

1. Open up your internet web browser and go to <https://rsd.instructure.com/login/canvas>

2. Click **Parent of a Canvas User? Click Here For an Account**.

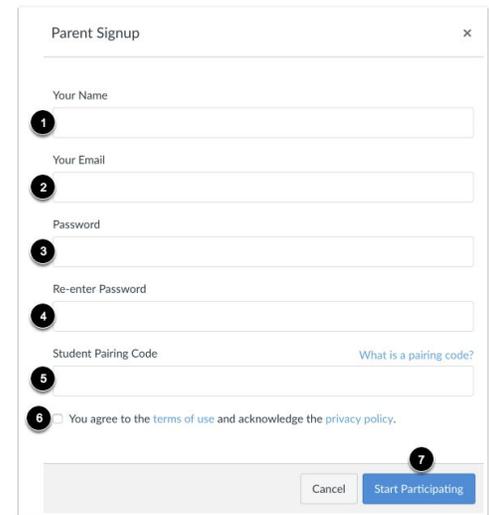

3. Enter the following information:

Enter **Your Name** (1), **Your Email** (2), create a **Password** (3), then **Re-enter Password** (4).

Enter the **Student Pairing Code** (5) your student generated for you (see **STEP 1** on this page).

Agree to the terms of use by checking the box (6).

ACCESSING CANVAS AS A PARENT FROM APP

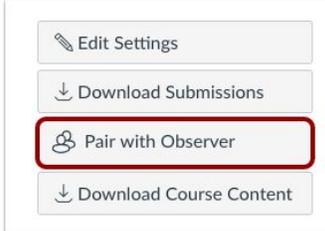

To see how your child is doing in their Canvas courses, you will be signing up as an **Observer**. The Canvas App provide a snapshot of your student's grades and assignments. Use the notification feature so you are alerted to late and missing assignments.

STEP 1: GENERATE A PAIRING CODE FROM YOUR CHILD'S ACCOUNT

1. Have your *child* log in to Canvas and go to their **Account Settings**.

2. Click the **Pair with Observer** button.

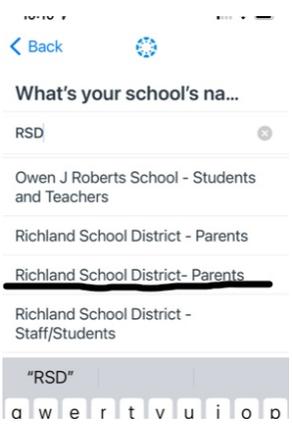

3. Copy or write down the six-digit code that pops up. This code expires after seven days or after the first time you use it.

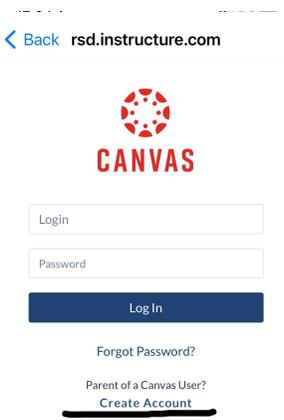

STEP 2: DOWNLOAD THE CANVAS PARENT APP

1. On your phone, use either Google Play or the Apple App Store to download the Canvas Parent App.

1. Open the Canvas App and click **Find School**. Type **RSD** and choose the second **Richland School District-Parents** listed.

2. To ensure you are using the correct login screen look for **rsd.instructure.com** across the top. Here, you can log in if you already created an account or create one now.

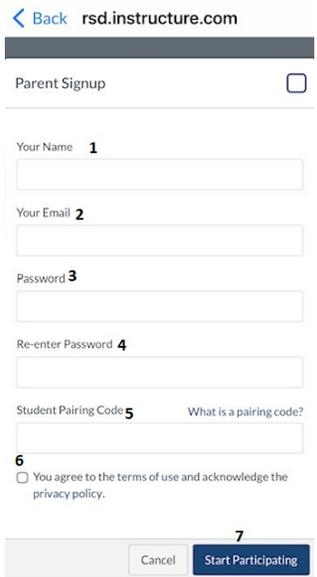

3. Enter the following information:

Enter **Your Name** (1), **Your Email** (2), create a **Password** (3), then **Re-enter Password** (4).

Enter the **Student Pairing Code** (5) your student generated for you (see **STEP 1** on this page).

Agree to the terms of use by checking the box (6).

4. Click **Start Participating** (7).

ACCESS CANVAS APP WITH QR CODE

1. To access the QR code, have your student log into their Canvas account.
2. Have your student click on Account in the upper left-hand corner, then click QR for Mobile Login.
3. Please read the directions box carefully before clicking Proceed.
4. Open the Canvas Parent App on your phone and click QR Login.
5. If you have not created an account, the app will walk you through the process shown above.
