

Creating a MySchoolBucks Account

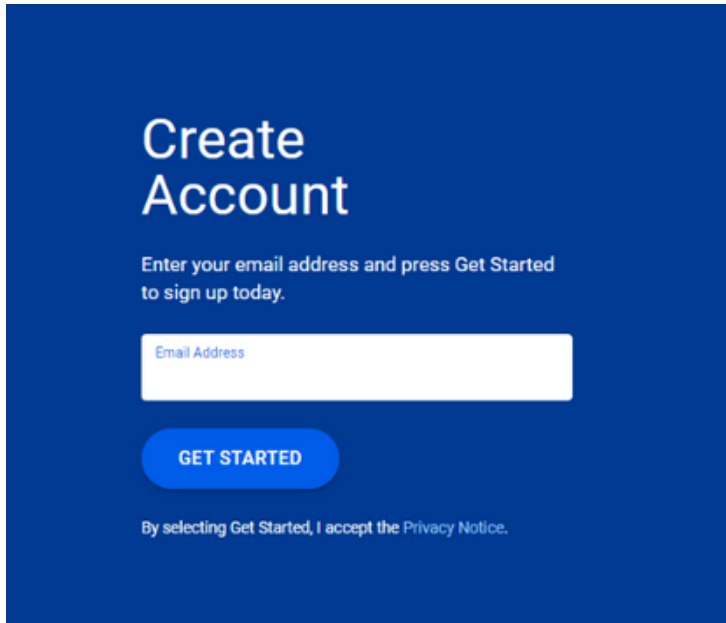

First go to [MySchoolBucks.com](https://www.myschoolbucks.com). It should look like this:

Then, click on the “Sign Up Free” Button.

[Sign Up Free](#)

It will next ask for your email to create an account. It is easiest if you use the same email that you use for Aeries or Parent Square.

Your email is now your username. To finish setting up your account, it will then ask for your First/Last Name and your Mobile Phone. Once again, it is easiest if you use the same phone number that the school would have on file. After entering your information, click “CONTINUE”
