

STUDENT FOCUSED

The Annual Fund provides critical resources that help us:

- Provide students with innovative classroom technology and equipment
- Recruit and retain exemplary faculty and staff
- Ensure high quality arts, athletic, global travel, and service learning programs

WHERE YOU COME IN

When you participate in the Annual Fund, you send a powerful message of support. A gift of any size makes a difference for every student and demonstrates your commitment to the Pacific Ridge mission. Families are asked to give annually to the best of their abilities.

EVERY STUDENT IS SUBSIDIZED

As is the case at virtually all independent schools, tuition and fees do not cover the full cost of a Pacific Ridge education. Philanthropic support from trustees, parents, alumni, grandparents, faculty and staff, and parents of alumni help close the gap — typically 5-10% — between what tuition covers and the actual cost of educating each student.

The difference is generally more than \$2,000 per student.

Enhancements to educational programming, innovations in classroom technology and equipment, and the ability to recruit and retain exemplary faculty create a margin of excellence and contribute to the unique Pacific Ridge experience.

GIFTS OF EVERY SIZE MATTER

Participation is a key element of the Annual Fund, and giving by 100% of families is our primary goal.

Everyone is recognized in the Annual Report.

In addition, leadership gifts will be separately acknowledged in the Annual Report and during special receptions and events throughout the year.
