College and Career High School: We Turn Dreams Into Degrees

CCHS Celebrates the New School Year With Our Fall Assembly. On Friday August 25th, CCHS presented our newest college graduates with certificates for finishing their degree programs at CNM this summer. Pictured from left to right are Kyleah Cadena (12th grade), Samantha Garcia (12th grade), Jade Kiki (12th grade), Luna the Mascot (grade unknown), Audrey Paniagua (12th grade), Destany Smith (12th grade), and Adriana Sanchez (12th grade).

## CNM FALL TERM

Begins August 28th

Late start classes start on  
September 18th

**2**

## Don't Forget!

To fill out the textbook  
form ASAP to pick up  
your CNM textbooks  
Deadline is October 31

**3**

## Did you know?

29 majors are  
represented by CCHS  
juniors and seniors this  
year

**4**

## CCHS PTSA

Will be selling spirit gear  
again this year. Reach out  
to them for more info on  
Night Wolf gear

## CCHS Introduces CNM Adult Cohort for Parents

This year CCHS is piloting a program for parents of CCHS students to take classes at CNM. Principal Cavazos-Galvez was inspired by our nursing assistant, Maggie Stamp, who received her nursing degree at CNM, while her daughter was attending CCHS. “I thought to myself, we are giving students an opportunity to set themselves up for a better future, why not offer their parents the same opportunity”.

Ms. Stamp (pictured above) reflected on her experience graduating from college at the same time as her daughter. “At my daughter’s graduation ceremony, I was the proud mama. I knew she could do it and it was heartwarming to see her succeed. At my pinning (the Nursing School equivalent of a graduation ceremony), I felt immense pride in myself. I had done this, I completed the hours, I studied, crammed, spent hours on homework. Even though I had experienced a graduation ceremony for a 4 year university in my 20’s, I felt that this ceremony was more meaningful”.

CCHS is still working with CNM on logistics of this program. Our hope is to offer two classes in the spring at no cost to parents of current CCHS students. Those who are interested should email Ms. Cavazos Galvez at [arnett\\_l@aps.edu](mailto:arnett_l@aps.edu) and fill out this form: <https://forms.gle/w1zvbKhYfDdNrtf87>

### STUDENT PROFILE OF THE MONTH: ANDRES LUERAS

This month we are profiling 12th grader Andres Lueras (pictured below), who is working on his HVAC degree at CNM.

**Why did you choose HVAC for your program of study?** At first I majored in criminology, but I didn’t feel like I would be happy in that field. I decided to try a trade because my grandfather and father were in trades. I did not think I would be going down this path, but now that I am, I love it. I love working with my hands.

**What are you hoping to do with your degree after graduation?** I am hoping to get a job, build my credibility, and eventually become a supervisor

**What advice do you have for CCHS underclassmen?** Keep pushing, the only limitation you have is yourself. Keep a positive mindset and keep smiling.
