

CLASSLINK PORTAL

To change the saved (vaulted) passwords in the ClassLink portal (my.hsd2.org):

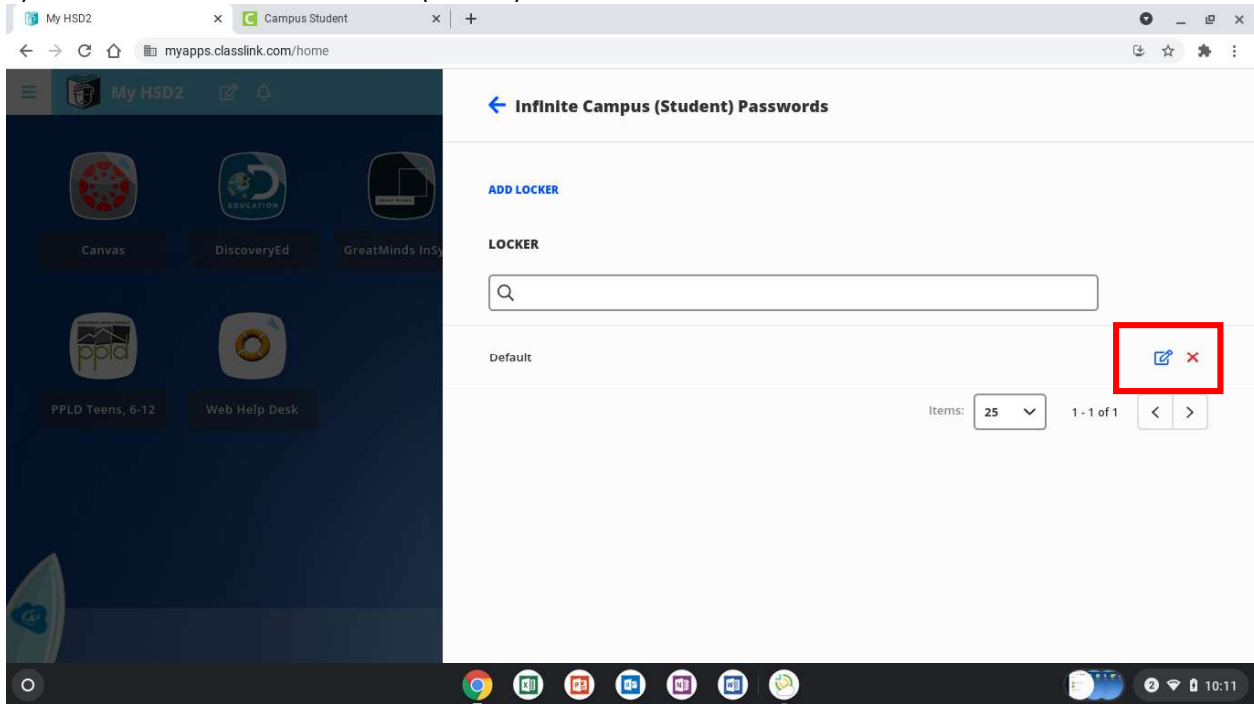

1) Go to upper right and click on the User Icon and Select Settings

2) Select App Passwords tab, and select Edit icon on app you wish to modify Using Infinite Campus for this example)

3) Click the Edit icon for the Locker (default)

4) Put in the credentials to change and click Save. For infinite Campus, be sure to use only the student ID, not the email address. Will show that it was saved successfully. Click on the portal to close.
