### Beginning of the Year Message for Digital Tools:

Detroit Lakes Public School District uses a variety of digital tools to support student learning. Technology vendors and software is utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We have an inventory of our curriculum, testing, and assessment tools posted on our district website here: <https://www.dlschools.net/parents/dlps-digital-tools>. It includes an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

Please reach out to Mr. Tim Vagle, [timvagle@detlakes.k12.mn.us](mailto:timvagle@detlakes.k12.mn.us) for additional questions regarding specific digital tools used in classrooms.

Sincerely,  
Superintendent Mark Jenson
