If your student is suspended due to Shoreline School District's disciplinary process: A long-term suspension may be amended to a short-term (3 day) suspension if the student schedules a drug and alcohol assessment with a *state approved* treatment agency and follows through with treatment recommendations. This appointment must be made within 3 days of suspension.

C. Johnson

- ✓ *A Release of Information* signed to the Drug and Alcohol Counselor must be completed at the treatment center in order to ensure communication between the treatment agency and School for issues concerning compliance.
