The Oak Park and River Forest High School Long-Term Capital Projects Plan

This comprehensive facilities plan is designed to be done in five phases over roughly 10 years. Each project, including its funding, requires separate Board approval. Costs for projects that are five years or more years in the future are difficult to project with any accuracy and therefore are not included here.

Project 1	Project 2	Project 3	Project 4	Project 5
<p>Approximate cost: \$40 million Substantially completed: August 2023</p> <p><i>Completed:</i></p> <ul style="list-style-type: none"> • Addition of two-story Student Resource Center • Replacement of South Cafeteria • Renovation of Main Entrance and Welcome Center • Renovation of Student Activities Center/Student Commons • Addition of eight all-gender bathrooms • Renovations of 65 classrooms, including special education TEAM classrooms and visual arts labs • Addition of 15 new classrooms, including two science labs • Renovation and addition of Special Education offices and conference rooms • Relocation/renovation of Driver Education classrooms • Relocation/renovation of mailroom and duplicating • New ADA-compliant elevator <p><i>In progress:</i></p> <ul style="list-style-type: none"> • Renovation of freight elevator 	<p>Cost: \$102 million Start date: Summer 2024 Completion date: Summer 2026</p> <p>New Physical Education wing to replace current facilities at southeast corner:</p> <ul style="list-style-type: none"> • 25-yard x 40-yard pool with spectator balcony • Larger, flexible, multi-use gyms • All-gender locker rooms • PE classrooms, PE and athletics offices, PE equipment storage, conference room • Performing arts dressing room • Costume shop/storage, prop shot/storage • ADA-compliant elevator • Multi-purpose/dance gym • Weight room • Athletic trainers treatment room • Boys locker rooms • Girls locker rooms • Student commons and pre-function space • Green roof to manage stormwater runoff 	<ul style="list-style-type: none"> • New southwest wing with Performing Arts and Physical Education spaces (will replace current wing, including West Pool, which will be decommissioned after Project 2) • Green roof over new southwest wing (alternatively, explore solar panels) <p><i>Originally included in Project 3 but already completed:</i></p> <ul style="list-style-type: none"> • Renovation of Main Entrance (Project 1) • Student Commons (Project 1) 	<ul style="list-style-type: none"> • Administration offices • Student Services offices • Health Services office • Classrooms (14) • Science Labs (14) • Huskie Pups • Career and Technical Education learning spaces • Special Education classrooms for Learning Development and Emotional programs (6) • Kitchen and North Cafeteria • Theatre lighting <p><i>Originally included in Project 4 but already completed:</i></p> <ul style="list-style-type: none"> • Renovation of Main Entrance lobby and Welcome Center (Project 1) • Relocation/renovation of Driver Education classrooms (Project 1) • Tennis courts (2022) 	<ul style="list-style-type: none"> • Student Commons phase 2 (third and fourth floors) • Classrooms (32) • Family and Consumer Science labs (4) • Fieldhouse, competition gym, and classrooms (6) • PE shell space • Solar panels • Art labs mechanical <p><i>Originally included in Project 5 but already scheduled for completion:</i></p> <ul style="list-style-type: none"> • South Fields storage bleachers (2023) • West Fields synthetic turf (2023)
