

TESTING OPPORTUNITIES AT FPC

STATE-BASED TESTING

Students who are enrolled in these courses must take the corresponding EOC exams.

These exams are typically taken at the end of the year. There are multiple retake options throughout the school year.

PSAT/ NMSQT

The PSAT measures ELA & math proficiency. It also gives 11th graders the opportunity to qualify for the National Merit Scholarship Program. This test also serves as an opportunity for Alg 1 EOC concordance.

The PSAT is given nationally once a year, each October. FPCHS offers this exam during the school day for free for all 10th & 11th grade students.

SAT

The SAT measures college readiness in ELA & math & is a common college entrance exam. It also serves as an opportunity for ELA & Alg 1 EOC concordance & Bright Futures Scholarship eligibility.

The SAT is offered for free during the school day in the spring of a student's 11th grade year. Otherwise, students can visit collegeboard.org to register & pay for Saturday testing. Saturday SAT testing is not affiliated with FPCHS, but FPC often hosts the exam.

ACT

The ACT measures college readiness in English, math, reading, & science & is a common college entrance exam. It also serves as an opportunity for ELA & Alg 1 EOC concordance & Bright Futures Scholarship eligibility.

Students can visit act.org to register & pay for Saturday testing. Saturday ACT testing is not affiliated with FPCHS, but FPC often hosts the exam.

CLT

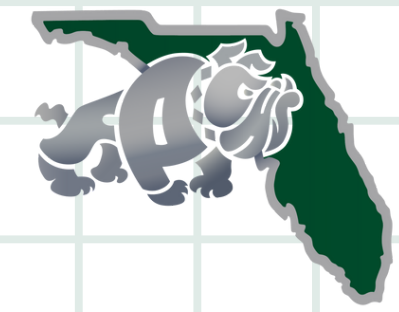

The Classical Learning Test measures college readiness in Verbal Reasoning, Grammar & Writing, and Quantitative Reasoning & is a college entrance exam. The CLT serves as an opportunity for ELA & Alg 1 concordance & Bright Futures Scholarship eligibility.

Students can visit cltexam.com to register & pay for testing. This exam can be taken remotely from home.

ASVAB

The ASVAB is a multiple-aptitude battery that measures developed abilities & helps predict future academic & occupational success in the military.

FPC offers the ASVAB twice a year in school. Students can visit guidance for more information & to register for the next administration.

WHAT TESTS DO I TAKE?

BIOLOGY, US HISTORY, & GEOMETRY EOCs

Students who are enrolled in these courses must take the corresponding EOC exams.

The EOCs count as 30% of a student's final grade, but passing these exams is not a graduation requirement..

FAST ELA PM 1, 2, 3

Beginning in the 2022-2023 school year, students in grades 9 and 10 complete PM tests 1, 2, and 3.

In grade 10, earning a level 3 on the PM 3 exam (*or earning a concordant score*) is a graduation requirement.

FSA ELA RETAKES

For the class of 2024 only. This exam will be phased out after the 2023-2024 school year.

Scoring a level 3 this exam (*or earning a concordant score*) is a graduation requirement.

BEST ALG EOC

Students who are enrolled in Algebra 1 must take this exam, which counts as 30% of the final grade in the course.

Scoring a level 3 this exam (*or earning a concordant score*) is a graduation requirement.

FSA ALG 1 EOC RETAKES

For students who took Algebra 1 before the 2022-2023 school year. This exam will be phased out after the 2023-2024 school year.

Scoring a level 3 this exam (*or earning a concordant score*) is a graduation requirement.

FCLE

Students sit for this exam at the conclusion of their US Government course.

This test has no bearing on a student's grade in the course and is not a graduation requirement. Passing this exam is a FL SUS requirement.
