- H. **Student Growth Data** shall mean the change in student achievement between two points in time within the current school year, as determined by the teacher. Assessments used to demonstrate growth may include multiple measures that can include classroom based, school based, district based, and state-based tools. Assessments used to demonstrate growth must be appropriate, relevant, and may include both formative and summative measures as agreed on by the teacher and evaluator.

2. State Evaluation Criteria

- A. Centering instruction on high expectations for student achievement,
- B. Demonstrating effective teaching practices,
- C. Recognizing individual student learning needs and developing strategies to address those needs,
- D. Providing clear and intentional focus on subject matter content and curriculum,
- E. Fostering and managing a safe, positive learning environment,
- F. Using multiple data elements to modify instruction and improve student learning,
- G. Communicating and collaborating with parents and the school community, and
- H. Exhibiting collaborative and collegial practices focused on improving instructional practices and student learning.

3. Instructional Framework: Danielson model

Upon mutual agreement the parties may negotiate a different OSPI approved instructional framework.

4. Criterion Performance Scoring

If the evaluator and teacher cannot agree on a final criterion score, the following principles will apply:

- A. When there is more than one (1) component, if a 4 – Distinguished is scored, the overall criterion score cannot be lower than 2 – Basic.
- B. Each rating will be assigned the following numeric values:
 - Unsatisfactory – 1
 - Basic – 2
 - Proficient – 3
 - Distinguished – 4
- C. When there are two (2) or more components to a criterion, the average of the scores will be the final criterion score.
- D. When a final criterion score includes a fractional number (for example 2.3), all scores will be rounded up, for example, a score of 2.4 and lower becomes a 2 and a 2.5 and higher becomes a 3.

5. Summative Performance Rating

A classroom teacher shall receive a summative performance rating for each of the eight (8) state evaluation criteria. The overall summative score is determined by totaling the eight (8) criterion-level scores as follows:

- 8-14—Unsatisfactory
- 15-21—Basic
- 22-28—Proficient
- 29-32—Distinguished

6. Student Growth Criterion Score

- A. Embedded in the instructional framework are five (5) components designated as student growth components. These components are embedded in criteria as SG 3.1, SG 3.2, SG 6.1, SG 6.2, and SG 8.1. Evaluators add up the raw score on these components and the employee is given a score of low, average, or high based on the scores below:
 - 5-12—Low
 - 13-17—Average
 - 8-20—High
- B. Student growth data will be taken from multiple sources during the school year in which the evaluation is being conducted, and must be appropriate and relevant to the teacher's assignment. It will include teacher initiated formal and/or informal assessments of student progress. Student achievement that is not calibrated to show growth between two points in time in the same school year shall not be used to calculate a teacher's student growth criterion score.

- C. If a teacher receives a 4 – Distinguished summative score and a Low student growth score, they must be automatically moved to the 3 – Proficient level for their summative score. If a teacher receives a 1 – Unsatisfactory on any of the five student growth components, it will trigger the student growth inquiry plan. The teacher and evaluator will mutually agree to engage in one of the following:
1. Triangulate student growth measure with other evidence (including observation, artifacts and student evidence) and additional levels of student growth based on classroom, school, District and state-based tools;
 2. Examine extenuating circumstances possibly including: goal setting process/expectations, student attendance, and curriculum/assessment alignment;
 3. Schedule monthly conferences with evaluator to discuss/revise goals, progress toward meeting goals, and best practices;
 4. Create and implement a professional development plan to address student growth areas.

C. PROCEDURAL COMPONENTS OF EVALUATION

1. Notification

The teacher will be notified by September 15th each year, or within fifteen (15) days of the beginning of the school year, whichever is later, of their evaluator and whether the teacher will be evaluated using a comprehensive or focused evaluation.

2. Student Growth Goal Setting

By November 1, the teacher shall determine a student growth goal for Components SG-3.1, SG-6.1 and SG-8.1 on a Goal Setting form. The goal for SG-6.1 and SG-8.1 may be the same goal.

3. Artifacts and Evidence

- A. The evaluator will collect and share artifacts and evidence necessary to complete the evaluation.
- B. The teacher may provide additional artifacts and evidence to aid in the assessment of the teacher's professional performance against the instructional framework rubric, especially for those criteria not observed in the classroom. The evidence provided by the teacher shall be incorporated on the negotiated form prior to the post-observation conference, and be used to determine the final evaluation score.
- C. A teacher may, and is encouraged to, but shall not be required to submit artifacts and evidence for completion of the evaluation.

4. Record-Keeping

All physical documents, including final framework rubric, artifacts, teacher's written comments, if applicable, and above forms, shall be moved to the teacher's personnel file at the end of the school year.

5. Electronic Monitoring

All observations shall be conducted openly. Mechanical or electronic devices shall not be used to listen to or record the procedures of any class without the prior knowledge and consent of the teacher.

6. Alternative Evaluator

On request, teachers shall be assigned an alternative evaluator. Requests must be submitted in writing by October 1st.

D. COMPREHENSIVE EVALUATION PROCESS

A Comprehensive Evaluation will include evaluation of all eight state criteria. A teacher eligible for focused evaluations must complete a comprehensive evaluation once every six years.

1. 1st Pre-Observation Conference

The pre-observation conference shall be held prior to the first formal observation. The teacher and evaluator will mutually agree when to conference. The purpose of the pre-observation conference is to discuss the employee's goals, establish a date for the formal observation, and to discuss such matters as the professional activities to be observed, their content, objectives, strategies, and possible observable evidence to meet the scoring criteria.

2. 1st Formal Observation

- A. The first of at least two (2) prearranged formal observations for each employee shall be conducted within the first ninety (90) days of the school year. The total annual observation time cannot be less than sixty (60) minutes. An employee in the third year of provisional status as defined in RCW 28A.405.220 shall be observed at least three times in the performance of his or her duties and the total observation time for the school year shall not be less than ninety minutes. Any formal observation shall not be less than 30 minutes in length.
- B. The observations will occur no later than five (5) days after the pre-observation meeting.
- C. Observations will not take place on half, early release, or late start days, the day before winter or spring break, on the day following an absence of the employee, and on days of an assembly or a modified schedule, unless otherwise agreed to by the employee.
- D. The evaluator will document all formal observations using the negotiated form and provide copies to the employee within three (3) days following the observation date and at least one (1) day prior to the post observation conference in C., below.
- E. The teacher shall be provided the opportunity to submit additional evidence to aid in the assessment of the teacher's professional performance against the instructional framework rubric, especially for those criteria not observed in the classroom. The evidence provided by the teacher shall be incorporated on the negotiated form prior to the post-observation conference, and be used to determine the final evaluation score.

3. 1st Post-Observation Conference

- A. The post-observation conference between the evaluator and teacher will be held no later than five (5) days after the formal observation date.
- B. The purpose of the post-observation conference is to review the evaluator's and teacher's evidence related to the scoring criteria during the observation, and to discuss the teacher's performance. The teacher shall be provided an additional opportunity to submit evidence of the teacher's professional performance that the teacher deemed

was not observed in the classroom. The evidence provided by the teacher shall be incorporated on the negotiated form and be used to determine the final evaluation score.

- C. If there is an area of concern, the evaluator will identify, in writing, specific concerns for the applicable criteria and provide specific observable solutions with specific district support and resources to remedy the concern.
- D. The teacher may attach written comments to the observation report.

4. 2nd Pre-Observation Conference

The pre-observation conference shall be held prior to the second formal observation. The teacher and evaluator will mutually agree when to conference. The purpose of the pre-observation conference is to discuss the teacher's goals, establish a date for the formal observation, and to discuss such matters as the professional activities to be observed, their content, objectives, strategies, and possible observable evidence to meet the scoring criteria.

5. 2nd Formal Observation

- A. The second of two (2) formal prearranged observations will occur no sooner than six (6) weeks after the first formal observation and ideally, in different semesters or trimesters so that reasonable time can be provided for continuing professional growth. The observation will occur no later than five (5) days after the pre-observation meeting.
- B. Observations will not take place on half, early release, or late start days, the day before winter or spring break, on the day following an absence of the employee, and on days of an assembly or a modified schedule, unless otherwise agreed to by the employee.
- C. The evaluator will document all formal observations using the negotiated form and provide copies to the employee within three (3) days following the observation date and at least one (1) day prior to the post observation conference in C., below.
- D. The teacher shall be provided the opportunity to submit additional evidence to aid in the assessment of the teacher's professional performance against the instructional framework rubric, especially for those criteria not observed in the classroom. The evidence provided by the teacher shall be incorporated on the negotiated form prior to the post-observation conference, and be used to determine the final evaluation score. The evaluator will document all formal observations using the negotiated form and provide copies to the employee within three (3) days following the observation date.
- E. The final formal observation shall occur prior to May 1st.

6. 2nd Post-Observation Conference

- A. The post-observation conference between the evaluator and teacher will be held no later than five (5) days after the formal observation date.
- B. The purpose of the post-observation conference is to review the evaluator's and teacher's evidence related to the scoring criteria during the observation, and to discuss the teacher's performance. The teacher shall be provided an additional opportunity to submit evidence of the teacher's professional performance that the teacher deemed was not observed in the classroom. The evidence provided by the teacher shall be incorporated on the negotiated form and will be used to determine the final evaluation score.

- C. If there is an area of concern, the evaluator will identify, in writing, specific concerns for the applicable criteria and provide specific observable solutions with specific district support and resources to remedy the concern.
- D. The teacher may attach written comments to the observation report.
- E. The teacher may request additional formal observations.

7. Final Summative Evaluation Conference

- A. The evaluator and teacher shall meet to discuss the teacher's final summative score. The final summative score, including the student growth score, must be determined by an analysis of evidence. This analysis will take a holistic assessment of the teacher's performance over the course of the year.
- B. The teacher has the right to provide additional evidence for each criterion to be scored.
- C. All evidence, measures and observations used in developing the final summative evaluation score must be a product of the school year in which the evaluation is conducted.
- D. If the evaluator judges the teacher to be below Proficient, the evaluator must provide at least three (3) pieces of evidence from at least two (2) artifacts.
- E. If the teacher believes the criterion score or final summative score did not consider certain teacher evidence and/or the criteria were not objectively scored, they shall be granted any of the following:
 - 1. An additional formal observation by June 1st;
 - 2. An alternative evaluator scoring of evidence whom is mutually agreed upon by the teacher and the district;
 - 3. Assignment of a new evaluator for the ensuing school year;
 - 4. Assignment of a mentor.
- F. Nothing prohibits an evaluator from evaluating all teachers as Distinguished - 4 within a school year.
- G. The teacher will sign two (2) copies of the Final Summative Evaluation Report. Each teacher shall sign the observation and evaluation forms to indicate receipt. The signature of the teacher does not, however, necessarily imply that the employee agrees with its contents. The teacher may attach any written comments to observations and to the final annual evaluation report as well.

E. FOCUSED EVALUATION

The Focused Evaluation is used when a teacher is not evaluated using the Comprehensive Evaluation process, and will include evaluation of one of the eight state criteria.

If a non-provisional teacher has scored at Proficient or higher the previous year, they shall be evaluated using the Focused Evaluation. The teacher may remain on the Focused Evaluation for five (5) years before returning to the Comprehensive Evaluation.

The teacher or the evaluator can initiate a move from the Focused to the Comprehensive Evaluation. A teacher may be transferred from a focused evaluation to a comprehensive summative evaluation at the request of the teacher or at the direction of the teacher's evaluator. The request of the teacher must be received in writing prior to September 15 or within the first fifteen (15) days of the school year, whichever is later. The direction of the evaluator must be communicated during the prior year's final evaluation conference based on concerns during the classroom observations.

1. The criterion area to be evaluated shall be proposed by the teacher prior to, or at the first pre-observation conference, and must be approved by the evaluator.
2. If the employee chooses criterion 1, 2, 4, 5, or 7, they must also complete the student growth components in criterion 3 or 6.
3. If the criterion selected for a focused evaluation has been determined to be non-observable, a classroom-based observation will not be required.
4. Observations and conferences for the focused evaluation shall follow the process set forth in Section 3.3, Procedural Components of Evaluation, and Section 3.4, Comprehensive Evaluation Process, above.
5. A summative score is assigned using the summative score from the most recent comprehensive evaluation. Should a teacher provide evidence of exemplary practice on the chosen focused criterion, a level 4 (Distinguished) score may be awarded by the evaluator.
6. A group of teachers may focus on the same evaluation criterion and share professional growth activities. This collaboration should be initiated by the teacher(s) and no individual shall be required to work on a shared goal.

F. SUPPORT FOR BASIC AND UNSATISFACTORY PERFORMANCE

1. The Association will be notified when any teacher is judged below Proficient -3, within five (5) school days.
2. When a teacher is judged below Proficient, the following conditions and provisions shall be granted, at the employee's discretion, to the employee to support their professional development:
 - A. The teacher's class size will not exceed the limits established in this Agreement;
 - B. The teacher shall be granted up to four (4) days of district funded release time to observe colleagues' instruction;
 - C. The teacher shall be granted an additional/different certificated employee evaluator;
 - D. The teacher will be assigned only one (1) work location, i.e., one classroom;
 - E. A mentor will be assigned;
 - F. The teacher may choose to transfer to another school;
 - G. The teacher may choose to participate in a voluntary structured support plan;

- H. Additional supports may include, but are not limited to: university course work, peer coaching, reading material, and District or ESD staff development courses. The District will provide and pay for any required in-service training and any required mentor (RCW28A.405.140).
 - I. Any of these support activities shall be compensated at the employee's per diem rate of pay for any time that occurs outside the normal workday/year.
3. In such cases that a teacher with more than five (5) years of experience receives a summative evaluation score below Proficient, the teacher must be formally observed before October 15th the following year. If the 1st Formal Observation in that following year results in ongoing and specific performance concerns, a structured support plan will be mutually developed by the evaluator and teacher within five (5) days following the 1st First Post-Observation Conference and will be completed prior to completion of the comprehensive evaluation.

G. PROBATION

At any time after October 15, a classroom teacher whose work is judged not satisfactory based on the scoring criteria shall be placed on probation and notified in writing of the specific areas of deficiencies and provided a written reasonable plan of improvement.

1. A classroom teacher's work not judged satisfactory, shall be placed on probation when the overall comprehensive score is Unsatisfactory - 1. A continuing contract teacher under RCW 28A.405.210 with more than five (5) years of teaching experience whose comprehensive summative evaluation score is below Proficient - 3 for two consecutive years or for two (2) years within a consecutive three (3) year time period shall also be placed on probation.
2. Teachers may only be placed on probation from the Comprehensive Evaluation Process described in Section 3.3 B 1.12 above.
3. Teachers on continuing contracts who have been assigned to teach outside of their endorsements shall not be subject to nonrenewal or probation based on evaluations of their teaching effectiveness in the out-of-endorsement assignments in accordance with WAC-181-82-110.
4. In the event that an evaluator determines that the performance of a teacher under his/her supervision merits probation, the evaluator shall report the same in writing to the Superintendent. The report shall include the following:
 - A. The evaluation report prepared pursuant to the provisions of Article IV Section 3, and,
 - B. A recommended specific and reasonable program designed to assist the teacher in improving his or her performance.
5. If the Superintendent concurs with the administrator's judgment that the performance of the employee is unsatisfactory, the Superintendent shall place the teacher in a probationary status for a period of not less than sixty (60) school days, any time after October 15. The probationary period may be extended into the following school year if the teacher has more than five (5) years of teaching experience and the final summative rating as of May 15th is Unsatisfactory -1. Before being placed on probation, the Association and the teacher shall be given notice of action of the Superintendent which notice shall contain the following information:

- A. Specific areas of performance deficiencies identified from the instructional framework;
 - B. A suggested specific and reasonable plan for improvement;
 - C. A statement indicating the duration of the probationary period and that the purpose of the probationary period is to give the teacher the opportunity to demonstrate improvement in his/her area or areas of deficiency.
6. A reasonable plan of improvement will be developed and will include the specific evaluative criteria which must be met and the measures and benchmarks which will be used to determine the teacher's success or failure. The plan will include a system for periodic feedback during the term of probation as well as supports provided and funded by the district, and the dates those supports will be put in place. Any of these support activities shall be compensated at the employee's per diem rate of pay for any time that occurs outside the normal workday/year.
7. Evaluation During the Probationary Period
- A. At or about the time of the delivery of a probationary letter, the evaluator shall hold a personal conference with the probationary teacher to discuss performance deficiencies and the remedial measures to be taken.
 - B. Once the areas of deficiency and criteria for improvement have been determined, they may not be changed.
 - C. During the probationary period the evaluator shall meet with the probationary teacher at least twice a month to supervise and make a written evaluation of the progress, if any, made by the teacher. The provisions of Section 3 above shall apply to the documentation of observation reports and evaluation reports during the probationary period.
 - D. The probationary teacher may be removed from probation at any time if he/she has demonstrated improvement to the satisfaction of the evaluator in those areas specifically detained in his/her notice of probation.
 - E. The probationary teacher may request that an additional certificated evaluator become part of the probationary process and the request must be granted. This evaluator will be assigned by the ESD and will be jointly selected by the district and the Association from a list of evaluation specialists compiled by the ESD.
8. A teacher who is on a plan of improvement must be removed from probation if he/she has demonstrated improvement in the areas prescribed as deficient. A teacher must be removed from probation if a teacher with five (5) or fewer years of experience scores at Basic (2) or above or a teacher of more than five (5) years of experience scores at Proficient (3) or above. A written notice will be provided to the teacher at the time this decision is made.
9. Lack of necessary improvement during the established probationary period, as specifically documented in writing with notification to the probationer constitutes grounds for a finding of probable cause under RCW 28A.405.300 or 28A.405.210.

10. Evaluator's Post-Probation Report

Unless the probationary teacher has previously been removed from probation, the evaluator shall submit a written report to the Superintendent at the end of the probationary period which report shall identify whether the performance of the probationary teacher has improved and which shall set forth one (1) of the following recommendations for further action:

- A. That the teacher has demonstrated sufficient improvement in the stated areas of deficiency to justify the removal of the probationary status; or
- B. That the teacher has demonstrated sufficient improvement in the stated areas of deficiency to justify the removal of the probationary status if accompanied by a letter identifying areas where further improvement is required; or
- C. That the teacher has not demonstrated sufficient improvement in the stated areas of deficiency and action should be taken to non-renew the employment contract of the teacher.

11. Action by the Superintendent

Following a review of the report submitted pursuant to paragraph J. above, the Superintendent shall determine which of the alternative courses of action is proper and shall take appropriate action to implement such determination.

12. A teacher who fails to successfully complete the probation process, as outlined above, may have their probationary period extended or may be recommended for non-renewal.

H. NON-RENEWAL (DISCHARGE)

When a continuing contract teacher with five (5) or more years of experience receives a comprehensive summative evaluation rating of 1 – Unsatisfactory for two (2) consecutive years, after completing probation the first year, the District shall, within ten (10) days of the completion of the Final Evaluation Conference or May 15th, whichever occurs first, implement the teacher notification of non-renewal (discharge) as provided in RCW.28A.405.300.

I. PROBABLE CAUSE

The teacher who is, at any time, issued a written notice of probable cause for non-renewal or discharge by the Superintendent pursuant to this Article shall have ten (10) calendar days following receipt of said notice to file any notice of appeal as provided by statute or by this Agreement.

J. EVALUATION RESULTS

1. Evaluation results shall be used:
 - A. To acknowledge, recognize, and encourage excellence in professional performance.
 - B. To document the level of performance by a teacher of his/her assigned duties.
 - C. To identify specific areas in which the teacher may need improvement according to the criteria included on the evaluation instrument.
 - D. To document performance by a teacher judged unsatisfactory based on the District evaluation criteria.

2. Evaluation results shall not be:
 - A. Shared or published with any teacher identifying information.
 - B. Shared or published without notification to the individual and Association.
 - C. Used to determine any type of base or additional compensation.
 - D. Used as a form of progressive discipline.

A. CRITERIA

Each employee shall be evaluated in accordance with the criteria as set forth on the evaluation Support Staff Form (see Appendix C-1 and 2).

B. REQUIRED EVALUATIONS

1. All employees, including new employees, shall be evaluated annually, such evaluations to be completed not later than June 1 of the year in which the evaluation takes place.
2. It shall be the responsibility of a principal or designee to evaluate all employees in his/her school.

These evaluations may cover individual observations or such periods of time as may be identified in the evaluation report.

C. OBSERVATIONS

1. During each school year each employee shall be observed for the purpose of evaluation at least twice in the performance of his/her assigned duties. Total observation time for each employee for each school year shall be not less than sixty (60) minutes.
2. The first observation will be preceded by a pre-observation conference. Following the series of observations, the principal or other evaluator shall promptly document the results thereof, using the appropriate evaluation report. The employee shall be provided with a copy of the evaluation report within three (3) days after such report is prepared.

D. EVALUATION REPORT

1. The employee shall sign the District's copy of the evaluation report to indicate that he/she has received a copy of the report. The signature of the employee does not, however, necessarily imply that the employee agrees with the contents of the evaluation report. Three copies will be made--one for the employee, one for the principal, and one for the personnel file. If the teacher desires, a rebuttal may be made to be placed in the personnel file.
2. Each evaluation report required under "*required evaluations*" shall be promptly forwarded to the District office for filing in the employee's personnel file.
3. Following completion of each required or additional evaluation report under "*required evaluations*" above, a meeting shall be held between the principal or other supervisor and the employee to discuss the report.

E. PROBATION

1. **Pre-probation.** In the event that a principal or other supervisor determines on the basis of the evaluation criteria that the performance of an employee under his/her supervision is unsatisfactory, the supervisor shall report the same in writing to the Superintendent on or before January 20. The report shall include the following:
 - A. The evaluation report prepared pursuant to the provisions of "*required evaluations*".
 - B. A recommended specific and reasonable program designed to assist the employee in improving his/her performance.

The employee shall have the opportunity for an informal discussion with the Superintendent before a final determination of the problem is made.
2. **Establishment of Probationary Period.** If the Superintendent concurs with the supervisor's judgment that the performance of the employee is unsatisfactory, the Superintendent shall place the employee in a probationary status beginning on or before February 1 and ending on or before May 1. On or before February 1, the employee shall be given written notice of the action of the Superintendent which notice shall contain the following information:
 - A. Specific areas of performance deficiencies.
 - B. A suggested specific and reasonable program for improvement.
 - C. A statement indicating the duration of the probationary period and that the purpose of the probationary period is to give the employee the opportunity to demonstrate improvement in his/her area or areas of deficiency.

3. Evaluation During the Probationary Period.

- A. At or about the time of the delivery of the probationary letter, the principal or other supervisor shall hold a personal conference with the probationary employee to discuss performance deficiencies and the remedial measures to be taken.
- B. During the probationary period the principal or supervisor shall meet with the probationary employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. The provisions of Section 5 and Section 6 shall apply to the documentation of the evaluation reports during the probationary period.
- C. The probationary employee must be removed from probation at any time he/she has demonstrated improvement to the satisfaction of the principal or other supervisor in those areas specifically detailed in his/her notice of probation.

4. Supervisor's Post-Probation Report. Unless the probationary employee has previously been removed from probation, the principal or other supervisor shall submit a written report to the Superintendent at the end of the probationary period, which report shall identify whether the performance of the probationary employee has improved and which shall set forth one of the following recommendations for further action:

- A. That the employee has demonstrated sufficient improvement in the stated areas of deficiency to justify the removal of the probationary status; or
- B. That the employee has demonstrated sufficient improvement in the stated areas of deficiency to justify the removal of the probationary status if accompanied by a letter identifying areas where further improvement is required; or
- C. That the employee has not demonstrated sufficient improvement in the stated areas of deficiency and action should be taken to non-renew the employment contract of the employee.

ACTION BY SUPERINTENDENT

Following a review of any report submitted pursuant to the supervisor's post-probation report, the Superintendent shall determine which of the alternative courses of action is proper and shall take appropriate action to implement such determination.

ACTION BY EMPLOYEE

In the event the employee is non-renewed as per RCW 28A.405.210 and a hearing is requested then either the employee, the Association or the District may elect to submit the issue to Step IV of the grievance procedure (*Binding Arbitration*) as opposed to the hearing process in RCW28A.405.310. (*See Article IX, Section 4*).

ARTICLE V - LAYOFF/RECALL

SECTION 1. INITIATION OF LAYOFF

- A. Prior to May 15th, the Board, upon recommendation of the Superintendent, shall determine whether the financial resources of the District will be adequate to permit the District to maintain its educational programs and services substantially at the same level for the following school year. If it is determined that such financial resources are not reasonably assured for the following school year, the Board, upon recommendation of the Superintendent, shall adopt a modified educational program and identify those employees who will be retained to implement such a modified program and those employees, if any, who must be non-renewed and be placed in any employment pool. All such non-renewals shall be in accordance with RCW 28A.405.210.
- B. In the event there is modification of programs and services for financial reasons, the number of employees which are required to implement the modified educational programs and services shall be determined as provided in this Article.
- C. Prior to the date specified by statute immediately preceding the school year in which the modified educational program will take effect, the names of employees to be non-renewed, if any, shall be identified and submitted to the Board for approval and action under RCW 28A.405.210.
- a) Where revenues are categorical and depend on actual expenditures rather than budgeted amounts, every effort will be made to maintain these programs to the limit of this categorical support (*e.g., special education, federally supported programs, etc.*).
- b) In determining the financial resources available, the District shall make a reasonable effort to solicit and obtain cooperation and funding from local governmental, state and federal resources.
- c) All prospective donors of gifts to the District will be encouraged to make their donations to the general programs of the District rather than to any specific program.
- d) Non-renewal of employees will be minimized by making adjustments wherever practical in the following categories:
- (1) Capital outlay
 - (2) Travel
 - (3) Contractual services
 - (4) Maintenance and operation
 - (5) Other services
 - (6) Supplies and materials
 - (7) Instructional materials
 - (8) Cash reserves and contingency funds

SECTION 2. CRITERIA

- A. To ensure that the employees recommended for retention will be qualified to implement the educational program determined by the Board, all retained employees must possess such valid Washington State Certificate as may be required for the position(s) under consideration.

SECTION 3. SENIORITY

- A. Seniority, which is defined as total years teaching in Washington State, will be given the highest priority as applied to the provisions of this Article.
- B. When more than one employee qualifies for a particular position under the criteria listed above, the employee who has the greatest number of total years of teaching or related experience as based on the criteria used by the District for determining placement on the salary schedule, shall be given the position.
- C. When more than one employee qualifies for a particular position under the criteria listed above, the employee who has achieved the greatest horizontal advancement on the District salary schedule shall be given the position. If a tie still exists, the employee with the most quarter hours beyond the Bachelor's degree recorded in the District office as of October 1 of the current year preceding the anticipated reduction will be given the position.

SECTION 4. PROCEDURE

- A. Prior to the Board's acting on the Superintendent's recommendations for program or service reduction, modifications or eliminations, it will provide the opportunity for involvement of the Association in such decision-making processes as shall be required under applicable agreements.
- B. The effect upon the student in the classroom is of the highest priority; therefore, the program to be retained shall attempt to minimize the consequences of program reductions upon the student.
- C. In an effort to eliminate the necessity of involuntary non-renewal, reasonable effort shall be made to ascertain the number of certificated positions which will be open for the following year by reason of normal attrition as outlined below. Such vacancies shall not be replaced except as indicated in (d), below.
 - a) Voluntary and mandatory employee retirements.
 - b) Normal employee resignations.
 - c) Before the implementation of layoff procedures, employees will be offered the opportunity to make written application for a year's leave of absence. The Superintendent shall recommend favorable action by the Board for any employee if the granting of such leave would eliminate the necessity for involuntary non-renewal of an employee. The Association shall exercise its right of arbitration by giving the Superintendent written notice of its intention to arbitrate within twenty (20) days of receipt of the written disposition of the Board. If the parties cannot agree as to the arbitrator within five (5) days from the notification date that arbitration will be pursued, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules, which rules shall likewise govern the arbitration proceeding, except as provided in jurisdiction of the arbitrator. The parties shall not be permitted to assert in such arbitration proceeding any ground rule, except as provided in jurisdiction of the arbitrator, or to rely on any evidence not previously disclosed to the other party. The decision of the arbitrator shall be final and binding on parties.

SECTION 3. ARBITRATOR

- A. **Arbitration costs.** Each party shall bear its own costs of arbitration except that the fees and charges of the arbitrator, if any, shall be shared equally by the parties.
- B. **Jurisdiction of the Arbitrator.** The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. The arbitrator shall confine his/her inquiry to specific areas of the Agreement as cited in the grievance form. The arbitrator shall make no awards nor substitute his/her knowledge for the expressed provisions of the contract under question. The arbitrator shall rule exclusively as to the compliance or non-compliance of the Agreement. Upon request of either party, the merits of a grievance and the substantive and procedural arbitrability issues arising in connection with the grievance may be consolidated for hearing before an arbitrator, provided the arbitrator shall not resolve the question of arbitrability of a grievance prior to having heard the merits of the grievance.
- C. **Litigation Costs.** The decision of the arbitrator may be entered in any court of competent jurisdiction should either party fail to implement the decision. If a motion to vacate the arbitrator's decision is entered in a court of competent jurisdiction, and the initiating party does not prevail in the litigation, such party shall bear the full costs of such action including, but not limited to, the adverse party's court costs, legal fees, and other related expenses incurred as a result of defending such action.

SECTION 4. ELECTION OF REMEDIES

Any matter which has an alternate form of resolution (*Superior Court, Human Rights Commission, PERC, OCR, etc.*) may be utilized by an employee in place of arbitration, but in no case will arbitration be allowed or utilized in addition to alternative remedies such as those illustrated above.

SECTION 5. TIME LIMITS

The time limits provided in this Article shall be strictly observed unless extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Failure of the Association to proceed with its grievance within the times herein before provided shall result in the dismissal of the grievance. Failure of the Board or its representatives to take the required action within the times provided shall entitle the Association to proceed to the next step on the grievance procedure.

SECTION 6. GRIEVANCE AND ARBITRATION HEARINGS

All hearings or conferences pursuant to this grievance procedure shall be scheduled at a time and place which will afford a reasonable opportunity for all parties entitled to attend to be present, including any and all witnesses.

SECTION 7. INDIVIDUAL COMPLAINTS

If an employee has a personal complaint which he/she desires to discuss with the supervisor, they are free to do so without recourse to the grievance procedure. However, no complaint shall be adjusted without prior notification to the Association and opportunity for an Association representative to be present, nor shall any such adjustment of the complaint be inconsistent with the terms of this Agreement. In the administration of the grievance procedure, the interest of the employee shall be the sole responsibility of the Association.

SECTION 8. CONTINUITY OF GRIEVANCE

Notwithstanding the expiration of this Agreement, any claim or grievance arising hereunder may be processed through the grievance procedure until resolution.

SECTION 9. EXCLUSIONS FROM ARBITRATION

The following are excluded from arbitration:

- a) Non-renewal of provisional employees.
- b) Non-renewal of contract; provided, however, the Certificated Staff Reduction provision will be arbitrable; except the financial determination may be decided by Superior Court; except for option provided in Due Process Article III Section 4.

ARTICLE X – DURATION

- A. This Agreement shall be effective as of September 1, 2022; shall be binding upon the District, the Association and their members; and shall remain in full force and effect through August 31, 2024.
- B. The Agreement may be re-opened on any item during the term of the contract by mutual consent of the parties. Re-negotiations for this agreement will begin with written notification by either party by March 31 of the year the agreement is to expire.
- C. Salaries and benefits (*insurance*) will be automatically adjusted annually to reflect state funding while staying within compliance limits and placed in the Agreement as addendums (*see Article VIII, Section 4*).

APPENDIX E - JUST CAUSE/SEVEN KEY TESTS*

The basic elements of just cause which different arbitrators have emphasized have been reduced by Arbitrator Carroll R. Daugherty to seven tests. These tests, in the form of questions, represent the most specifically articulated analysis of the just cause standard as well as an extremely practical approach.

A "no" answer to one or more of the questions may mean that just cause either was not satisfied or at least was seriously weakened in that some arbitrary, capricious, or discriminatory element was present.

1. NOTICE: "Did the employer give to the employee forewarning or foreknowledge of the possible or probable consequences of the employee's disciplinary conduct?"
2. REASONABLE RULE OR ORDER: "Was the Employer's rules or managerial order reasonably related to (a) the orderly, efficient, and safe operation of the Employer's business, and (b) the performance that the Employer might properly expect of the employee?"
3. INVESTIGATION: "Did the Employer, before administering the discipline to an employee, make an effort to discover whether the employee did in fact violate or disobey a rule or order of management?"
4. FAIR INVESTIGATION: "Was the Employer's investigation conducted fairly and objectively?"
5. PROOF: "At the investigation, did the 'judge' obtain substantial evidence or proof that the employee was guilty as charged?"
6. EQUAL TREATMENT: "Has the employer applied its rules, orders and penalties even-handedly and without discrimination to all employees?"
7. PENALTY: "Was the degree of discipline administered by the Employer in a particular case reasonably related to
 - a) the seriousness of the employee's proven offense, and
 - b) the record of the employee in his service with the Employer?"

* The above seven steps may not be strictly adhered to in cases of gross anti-social behavior which may merit immediate corrective action.
