Mission Statement

The Elizabethtown Area Music Club is an all-volunteer booster organization which is composed of parents/guardians, directors and members of the community. We are dedicated to enhancing the music program experience for all students involved in band, orchestra and chorus. We facilitate fundraising, volunteer for various positions, and plan exciting trips.

We rely on **all** stakeholders in order to support our students in the Music Programs. Please consider volunteering your time to help these talented students achieve success and have an amazing experience in the Elizabethtown Area School District Music Programs.
