1. Policy statement

Philosophy

Rokeby Primary School is committed to providing an education of the highest quality for all its students and recognises this can only be achieved by supporting and promoting excellent school attendance for all. This is based on the belief that only by attending school regularly and punctually will children and young people be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance. It is the policy of our school to celebrate both.

All staff will work with students and their families to ensure each student attends school regularly and punctually. We recognise that parents have a vital role and there is a need to establish strong home-school links and communication systems. We will provide effective and efficient communications with students, parents, and appropriate agencies to provide mutual information, advice and support to meet our objectives.

This policy is based on current government guidance, 'Working Together to Improve School Attendance 2022' and Statutory Regulations.

Objectives;

- Develop and maintain a whole school culture that promotes the benefits of high attendance.
- Have a clear school attendance policy which all staff, students and parents understand.
- Accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence.
- Regularly monitor and analyse attendance and absence data to identify students or cohorts that require support with their attendance and put effective strategies in place.
- Build strong relationships with families, listen to and understand barriers to attendance and work with families to remove them.
- Share information and work collaboratively with other schools in the area, local authorities, and other partners when absence is at risk of becoming persistent or severe.

2. Definitions

In this policy there are some key definitions which will be used, we have referenced the meaning of these terms below for ease of understanding:

Persistent Absence - Where a student's attendance figure reaches 90% or below, they are deemed as 'persistently absent' from school.

Severe Absence - Where a student is absent from school more than they are present, therefore with an attendance figure of 50% or below, they are deemed as 'severely absent'.

Parents - For the purpose of this policy a parent means; All natural parents, whether they are married or not, any person who has parental responsibility for a child or young person

and any person who has care of a child or young person (i.e. lives with and looks after the child).

Vulnerable students - For the purpose of this policy vulnerable students are those who;

Have a social worker or previously had a social worker;

Is a Child looked after;

Are Children with an Educational health care plan;

Are Children who are severely absent (their attendance in school is 50% or below).

3. Statutory/Legal Guidance

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school¹.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Education (Pupil Registration) (England) Regulations 2006 was amended by Education (Pupil Registration) (England) Regulations in 2013 only allowing Head Teachers to authorise leave of absence (for any purpose) in **exceptional circumstances. Holiday requests will not be granted.**

¹ The education Act 1996, part 1, section 7. Additional legal requirements may be found in *The Education [Pupil Registration] (England) Regulations 2006*.

5. Safeguarding

Knowing where children are during school hours is an extremely important aspect of safeguarding. Absence can be an indicator of abuse and neglect and may also raise concerns about other safeguarding issues, including the criminal exploitation of children.

We monitor attendance carefully and address poor or irregular attendance without delay.

We will always follow up with parents/carers when students are not at school. This means we need to have a least two up to date contact numbers for parents/carers. Parents should remember to update the school as soon as possible if their numbers change.

Rokeby Primary School recognises that inappropriate authorisation of absence can be as damaging to a child's education as unauthorised absence as it will potentially send a message to parents that any reason for non-school attendance is acceptable and can render children extremely vulnerable to harm.

Rokeby Primary School will challenge parents about the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a student's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always rest with the school and evidence of absences may be requested, such as medical evidence.

5.2 Children missing education and Children absent from education

In response to the guidance in Keeping Children Safe in Education (2023) leaders have ensured that:

1. Staff understand what to do when children do not attend regularly, causing the child to be 'absent from education'.
2. Appropriate policies, procedures and responses for students who go missing from education or are absent from education (especially on repeat occasions) are in place.
3. Staff know that travelling to conflict zones could be an indicator of FGM and forced marriage.
4. Procedures are in place to ensure that we always inform the local authority when we plan to take students off-roll or when they:
 - a. leave the school to be home educated
 - b. move away from the school location
 - c. remain medically unfit beyond compulsory school age
 - d. are in custody for four months or more (and will not return to school afterwards); or are permanently excluded

We will ensure that students who are expected to attend the school but fail to take up the place will be referred to the local authority.

When a student leaves, we will record the name of the student's new School and their expected start date.

Staff will monitor unauthorised absence and take appropriate action including notifying the Local Authority, particularly where children are missing from education, are absent on repeated occasions and/or are absent for periods during the school day. Staff will be alert to signs of children at risk of travelling to conflict zones, female genital mutilation and forced marriage.

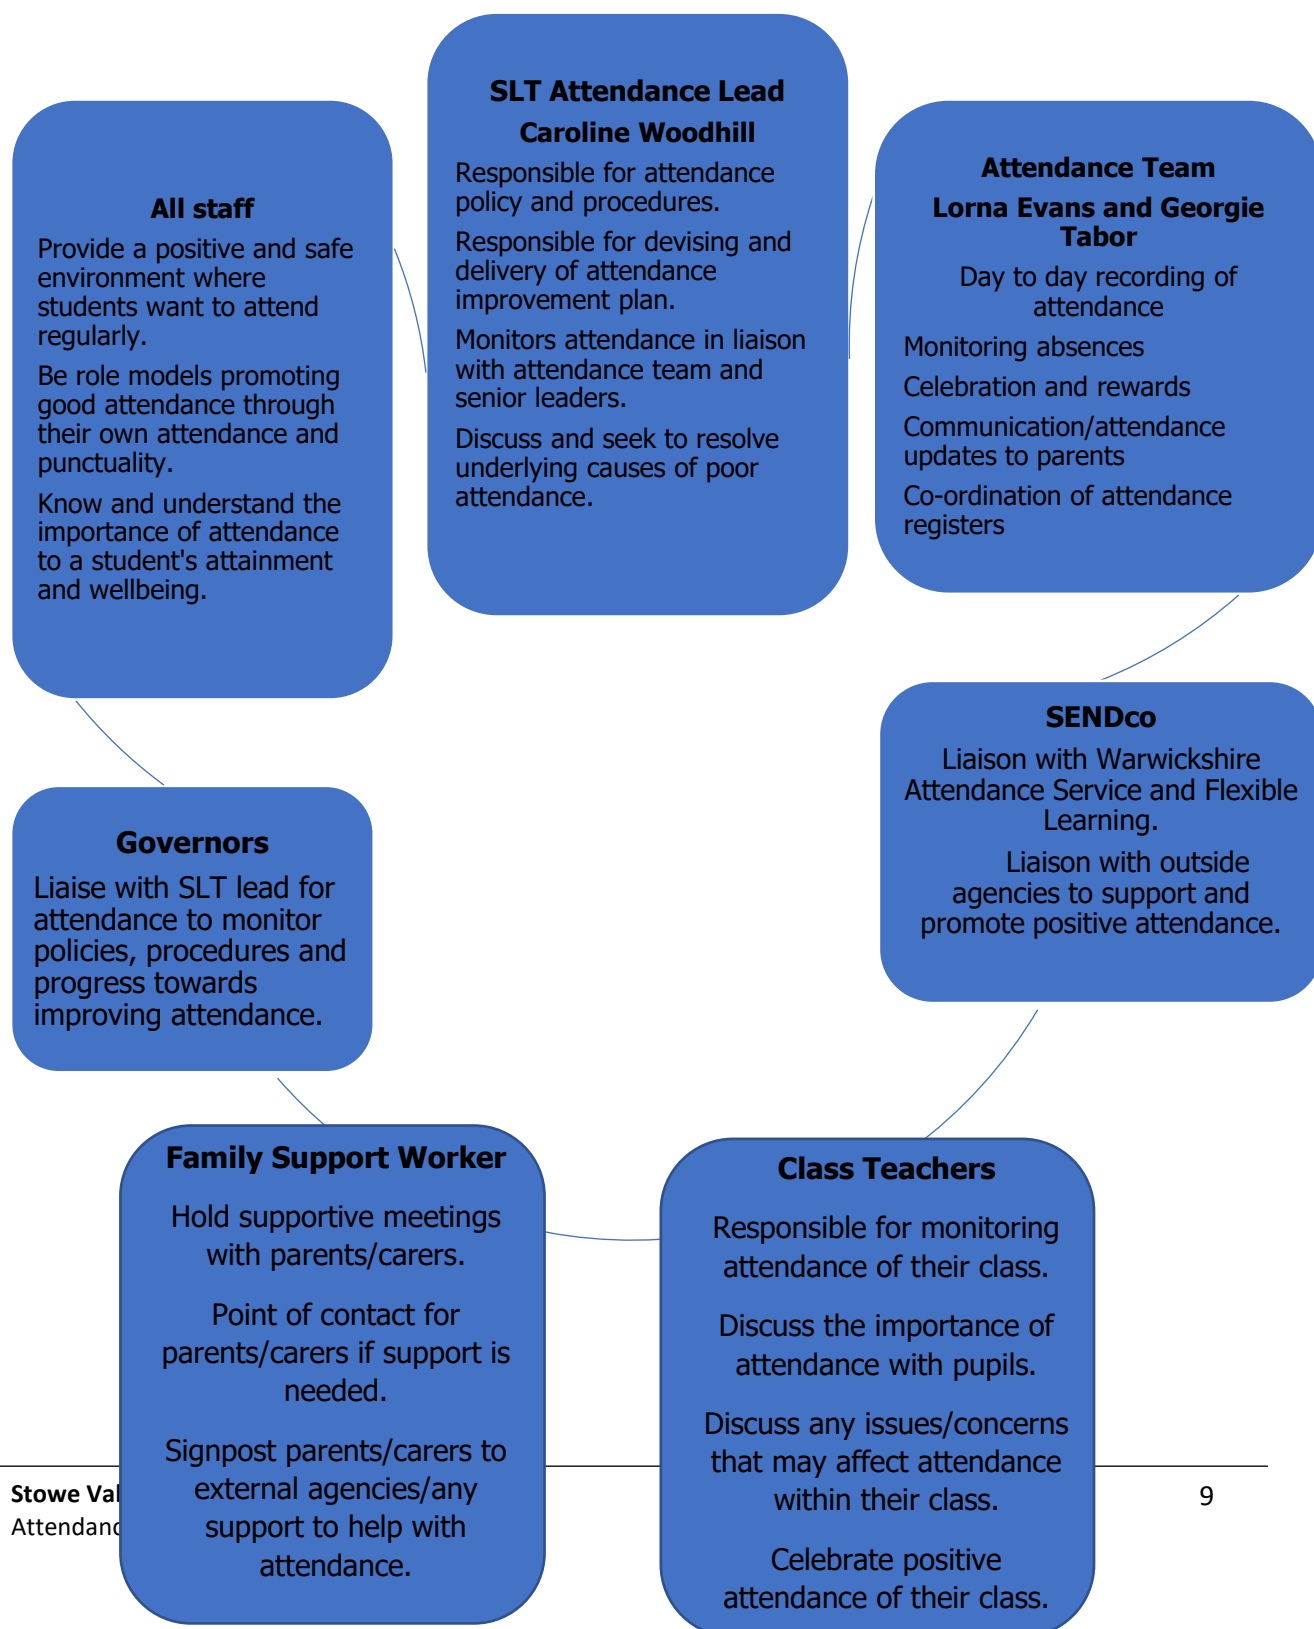

5.3 Vulnerable Students

Rokeby Primary School routinely monitors the attendance of vulnerable students. If we have concerns about students, we work closely with outside agencies to ensure parents understand the importance of good attendance and attendance procedures. There are a number of ways we may² monitor the attendance of vulnerable students in addition to the universal daily process of monitoring attendance for all;

- a. Daily school contact from the attendance team to parents/carers (and any external professionals such as social workers) for absences of vulnerable students or those at risk of persistent or severe absence.
- b. Warwickshire Flexible Learning Team – SENDco is in regular communication with the flexible learning team to ensure Ill Health students are engaged and progressing. The attendance of these students is captured daily.
- c. Dual Registration – Rokeby Primary School maintains its responsibility to ensure that students who are dual registered are attending each day and progressing with their education.
- d. SEND – Students who have special education needs or disabilities, who are poor attenders are monitored by the SENDco. At regular meetings, attendance is discussed and tracked and interventions are put into place by senior leaders.
- e. Severely Absent Students - Students who are severely absent are assigned an attendance case manager (for children with SEND, it will be the SENDco and for children without SEND, it will be the headteacher) who makes regular contact with the child and family to support them in removing the barriers to attendance and engage them back in to school. All contact and agreed interventions are robustly recorded and the impact is monitored regularly.

² The way in which we monitor a vulnerable student will be on a case by case basis and these decisions are regularly reviewed between the attendance, safeguarding and pastoral teams in school.

6. School Responsibilities

7. Day to Day Attendance Procedures

7.1 Registers

Registers are taken each AM and PM session, within the first 10 minutes of the session. Non-attendance is identified each morning and afternoon.

In the morning if the child has not arrived in school and we have not been informed of a reason the following actions will be taken;

- A telephone call will be made to the family

If no appropriate response is received, this will be followed up by an email on the same day

- A telephone call will be made again on the second day of unexplained absence

If no appropriate response is received

- A home visit will be completed on the third day of the unexplained absence.

The DSL notifies Children's Social Care if a child with a child protection plan is absent for more than two consecutive days without explanation.

7.2 Absence and Punctuality

Parents are required to contact the school as soon as possible to inform us if a child is to be absent or late on **EACH** day that the child is eligible to attend.

This can be done via;

1. **Telephone** 01788 814 399 - press 1 for attendance
2. **Email** rokebyprimaryschool@stowevalley.com

Students are late if they are not in school by 9am, for morning registration.

The attendance team and tutors will monitor lateness and punctuality.

Where parents are phoning in daily to report student absence the school will follow an 'Explained absence process'. An explanation from a student's parent does not mean an absence becomes authorised. The decision whether or not to authorise an absence will always rest with the school.

If a student is absent from school for more than 5 consecutive days, on the 6th day the absence will automatically be unauthorised until medical evidence is provided by the parents to the school, or the parent makes contact with the school to discuss further. An explained absence that reaches a 6th consecutive day without medical evidence may then result in a home visit, so that the school safeguarding team and the attendance team can speak to both the child and the parent and support can be put in place as needed.

7.3 Authorisation of Absence

We are advised by government legislation and Local Authority guidance that attendance can only be authorised if the following applies:

- Medical reasons - please note medical evidence and/or a parental written note may be asked for upon return to school for students whose attendance falls below the schools expected threshold (95%).
- Religious celebration observation
- If transport provided by the school/Local Authority cannot bring the child to school.

Absences may also be authorised for the following reasons, but this will be at the discretion of the attendance team and the Head Teacher:

- Where a Leave of Absence has been completed by parent/carer and is agreed by the Head Teacher
- Where a student has a medical appointment that cannot be changed e.g. a consultant appointment
- When the student has no fixed abode, their parent is engaged in a trade which requires them to travel, the student has attended school as often as the nature of the trade permits
- Other exceptional circumstances e.g. family bereavement and for a limited period.

7.4 Medical Appointments

Where possible, appointments should be made out of school hours or in school holidays. However, we realise this is sometimes not possible. Students should come into school before and after appointments to ensure they miss as little lesson time as possible. Parents should sign their child out and in at the office before leaving/upon their return to school.

8. Leave of Absence During Term Time

Arranging holidays during term time causes issues for many reasons:

- the student's education suffers;
- lessons and extra-curricular activities are missed;
- there is often no opportunity for teachers to set additional work or to assist a child in catching up on their return from holiday; and
- Parents may be in breach of their legal obligation to send their child to school.

The Government issued new regulations in September 2013 regarding Leave of Absence; The Education (Pupil Regulations) (England) Regulations 2006 as amended by Education (Pupil Regulations) (England) (Amendment) Regulations 2013

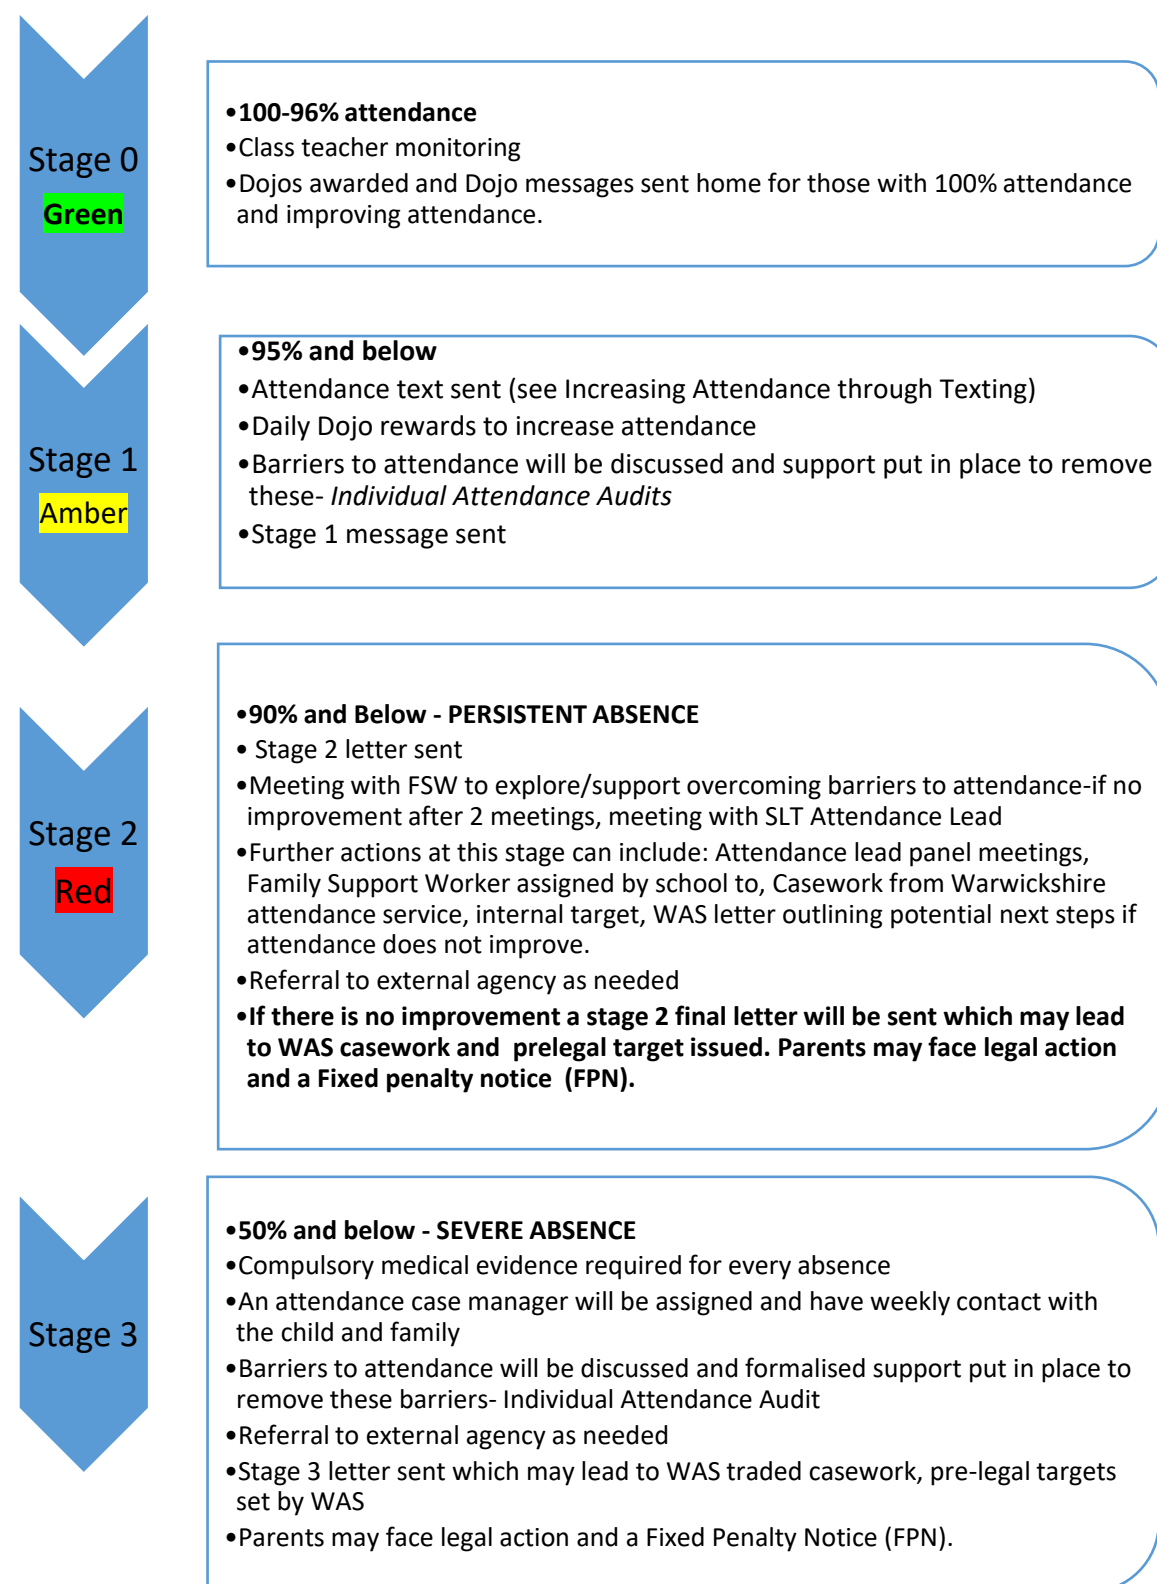

- Head teachers **shall not** grant **any** Leave of Absence during term time **unless they consider** there are **exceptional** circumstances relating to the application.
- Parents do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are **exceptional circumstances** and the Head Teacher must be satisfied that the circumstances warrant the granting of leave.
- Head Teachers will determine how many school days a child may be absent from school if the leave is granted.
- The school can only consider applications for Leave of Absence which are made by the resident parent, i.e the parent with whom the child normally resides.
- Applications for Leave of Absence must be made in advance and failure to do so will result in the absence being recorded as "unauthorised". This may result in legal action against the parent, by way of a Fixed Penalty Notice.
- Applications for Leave of Absence which are made in advance and refused will result in the absence being recorded as "unauthorised". This may result in legal action against the parent, by way of a Fixed Penalty Notice, if the child is absent from school during that period.
- All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service of Warwickshire County Council.
- The Warwickshire Attendance Service have the authority to consider issuing Fixed Penalty Notices for Leave of Absence in line with the Warwickshire County Council's Non-School Attendance and Penalty Notices Code of Conduct. (A copy of which can be found at <https://www.warwickshire.gov.uk/pupilnonattendance>).
- If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that Notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Each application for a Leave of Absence will be considered on a case-by-case basis and on its own merits.

9. Attendance Intervention

Intervention will follow a staged approach and students will be monitored and different strategies will be used depending on the stage they are at in the process outlined below and their personal situation. Rokeby Primary School tracks attendance data forensically and uses

this data to regularly decide upon the strategies as listed below.

This flow chart is a guide and each case will be assessed and reviewed depending on each students' individual needs and which interventions will be most effective in supporting them to improve or maintain positive attendance. Early intervention will be sought so students can

be supported meeting their attendance targets. The nature of student absence is crucial when applying this approach and individual circumstances will be considered.

9.1 Attendance Incentives

Rokeby Primary School promotes and incentivises good attendance on a continual cycle throughout the school year as we know it is vital to celebrate attendance on a regular basis. Examples of the way Rokeby Primary School promotes good attendance includes:

- Messages to parents and students on Class Dojo
- Dojos given for improved attendance
- Assemblies celebrating individual or class attendance
- Prizes given to individuals or classes based on attendance. This is not based solely on the highest attendance, but may include the most improved attendance over a set period of time.
- Stickers, stamps, postcards or other forms of recognition for excellent or improved attendance.
