A. Updates

Dr. Rianna reported that Carlos Vazquez (crossing guard at Deasy School) and his family appreciates all of the thoughts and prayers, donations, letters and cards that were made by the students. They have decorated his room and keep him in a positive spirit. They have been a very positive impact on his recovery. Thank you to all from the family.

1. Special Recognitions

Dr. Rianna reported that there would be special recognitions given tonight.

She reported that October is Hispanic Month and many different foods and culture were infused into the curriculum, including Physical Education and Technology as well. It was a collaborative effort. Spanish dancers were brought in at one of the schools. These events were followed by Italian heritage. Coordinators came together and one of the activities included dancing the tarantella at Deasy. Dr. Rianna announced that this is principal recognition month. Coordinators spend so much time and so much effort beyond what we would expect of them. My Amazon delivery was delayed and there will be a surprise for the principals coming in a few days. She told a little bit about what principals do. They take good care of the students and staff. Principals work 24/7. She presented awards to Melanie Arfman, Principal at Deasy School; Allen Hudson, Principal at the High School; Bryce Klatsky, Principal at the Connolly School; and Jacklyn Burnett, Principal at the Landing School. She congratulated them on a job well done. All of the other principals will receive their certificates this week.

Dr. Rianna also honored the Board Members for New York State School Boards Association's School Board Recognition Week. She stated that over the years, she has experienced many boards, having the ability to speak their minds and come to consensus. They have made remarkable accomplishments and spend many hours in training and apply that training to their work on the Board. They spend much time away from their family to dedicate themselves to the Glen Cove CSD. She congratulated them and presented a certificate and candle to each board member. Thank you for your continued support for our children. Dr. Rianna read a Proclamation from Governor Kathy Hochul for School Board Recognition Week.

   RESOLVED, on the recommendation of the Superintendent of Schools, the Board of Education approves the following budget adjustment as described below:

   Budget Adjustment

   On September 1, 2021, Tropical Storm IDA impacted the district. As a result, a number of unbudgeted expenditures to repair the damage caused by IDA in the High School, Middle School and Landing buildings were required for student and staff to occupy these buildings. FEMA has accepted the District's application for funding and will cover 90% of the damages that were incurred due to IDA. New York State will cover the remaining 10%. In order to obtain these funds from FEMA and the Sate, the District will need to pay for the repair of these damages. When all documentation has been submitted to FEMA and the State, the District will receive reimbursement.

   It is recommended that the following budget adjustment be made, increasing the 2022-2023 budget by $592,452.54. These funds were set aside from the 2021 – 2022 budget and added to the District's 4% at the end of the 2022 close with the intention of payment for the additional IDA expenses.
