A. Updates

Dr. Rianna mentioned that on August 23rd the latest version of the operational guidance on Covid was received from the Department of Health who with the State Education Department have worked together to move this guidance forward. School will be in-person and Dr. Rianna stated that there is no longer a quarantine period recommended for anyone exposed to Covid. Indoor masking is suggested for 10 days by the CDC with testing on or about day 5. Staff and students are suggested to stay home if symptomatic or if they test positive they should isolate for 5 days. If there is any fever at all regardless of if Covid or not you should be fever free for 24 hrs. without fever reducing medication before returning to school or

work. Masking is no longer required however we will continue to respect the choice of anyone wearing or not wearing one. Community level monitoring will continue and changes to protocols will be based on this information. The Superintendent of Schools is looking forward to a wonderful, safe and healthy school year. She stated that all this information is posted on the school district website.

Dr. Rianna advised that Aidan Costello will be joining the Board of Education in a seat as the student representative in September.

Twenty-five new teachers were officially welcomed today during the new teacher orientation. Dr. Rianna thanked Assistant Superintendent's of Curriculum Instruction and Human Resources for putting together a wonderful program as well as thanking the GCTA for providing lunch. Francine Santoro was also acknowledged in taking the new staff members on a guided tour around the community. The orientation is a two day meeting with the second one planned for tomorrow.

Class sizes are still remaining between 18-22 at the elementary level with teacher assistants for students that need them including kindergarten, Pre-K and ICT classes. This new school year with Covid hopefully behind us we will be serving our students in person only and in a more traditional start to the school year.
